FARTS and PIFFES

ASSHOLE OF THE MONTH

How does it feel to be the only woman in the White House who is too ugly for Bill Clinton to fuck? The answer lurks in the excruciating face of Linda Tripp, a 48-year-old former White House secretary and HUSTLER's Asshole of the Month for June 1998.

First, President Clinton is accused of shaking his prick at the mouth of Paula Jones, a woman with the physical appeal of a dead seagull. Now the President is assumed to have received Oval Office blowjobs from 24-year-old Monica Lewinsky. Monica looks like a barnyard animal dressed up in a Beverly Hills hairdo. *Where*, an alarmed electorate wondered, *will Bill Clinton draw the line with his fucking ugly behavior?*

The line is drawn precisely at Linda Tripp. There is absolutely no reason to believe that the President, nor any man, has made any sexual advance to Linda Tripp in almost 20 years.

Linda Tripp was the last person known to see President Clinton's lawyer, Vince Foster, alive. As Foster's secretary, Tripp fetched her boss his final lunch, a burger and some M&M's. Her face did not help Foster's appetite. Vince made sure he would never look at Linda Tripp again. He committed suicide.

Vince Foster's reaction was extreme, but it's easy to see how a man would rather kill himself than fuck Linda Tripp. The smart money bets her pussy gets no action. Like a person deprived of sex, Tripp sees fucking everywhere.

Linda is named as a source of rumors about George Bush's personal life as President. In 1997 she spilled

a story to *Newsweek* of Virginia socialite Kathleen Willey. Willey's clothing, according to Tripp, was disheveled and her makeup smeared, supposedly from a grope session with Bill Clinton. Always hot on the scent, Tripp tried to sell a tell-all book, *Behind Closed Doors: What I Saw Inside the Clinton White House*, but failed.

Her publishing prospects are looking up. Tripp, pretending to be a friend and confidant, encouraged Monica Lewinsky, the young former White House intern, to share juicy details of her fabulous oral-sex relationship with Bill Clinton. Tripp secretly taped the young girl's crotch talk.

Tripp turned her sleaze tapes over to a New York literary agent who has

reportedly egged bidding for them up to \$2 million. Tripp also gave tapes to special Whitewater prosecutor Kenneth Starr. Over the past three years, Starr has spent \$34 million of tax revenue and failed to pin anything on Bill Clinton.

Linda Tripp looked good to Starr. She agreed to wear a wire. With grand inquisitor Starr and FBI agents listening, Linda lured Monica Lewinsky to lunch and talked her through the sticky details of her infatuation with Clinton. The feds whisked a cowed Monica away for interrogation.

Did Bill Clinton's withholding of sexual favors spark Linda Tripp's vindictive wiretapping? Tripp claims that the pursuit of money or political

revenge had nothing to do with her cunny actions. Tripp claims she made the tapes to protect herself.

She had been called a liar, "a rat," and she needed proof so that she would not be called a liar again.

"I'm being a shitty friend," Tripp tells Monica as the tape rolls, "because I won't lie."

Secretly recording a confidant is dishonest, a lie of omission. Tripp made phone tapes from her Maryland home, which is illegal in that state. Linda is unwilling to lie for her friend, but eager to commit crimes against her.

Tripp released a statement attempting to justify her perfidy. "As a parent of children close to Monica's age, I felt horror at the abuse of power and emotional anguish she has endured."

A splash of Presidential sperm in the eye? That anguish is nothing compared to being squeezed by the feds and set up for public ridicule, which is what Monica suffered from Tripp's abuse of trust.

Lewinsky never harmed Tripp; she even referred the older woman to a hairdresser who made Linda look human and almost female. Still, Tripp, presumably because she'd been scorned by Clinton, threw her friend to the wolves.

"[Monica] should not be forced to defend her private life as a carefully orchestrated campaign is launched to discredit her," whines Tripp, who clearly was lead orchestrator.

Taxpayers pay Tripp a salary of \$88,000 per year for gossiping, cigarette breaks, book research and tape preparation. That's \$1 for each way she is an Asshole.

Lucianne Goldberg: A book agent, a ghostwriter, gossip columnist and sleaze novelist, Lucianne Goldberg has had many occupations, but her greatest notoriety will be from presenting herself as the "brains" behind Linda Tripp's scheme to entrap Monica Lewinsky. Goldberg is an old hat

Farts in the Wind

at dirty tricks: In 1972 she used faked credentials to infiltrate the press corps of presidential candidate George McGovern as a spy for Richard Nixon. Goldberg says that Linda Tripp "is heartsick." Lucianne wears her Asshole on her sleeve.

Kenneth Starr: What's taking Kenneth Starr so long? It only cost 30 pieces of silver to build a case against Jesus Christ. Even with inflation factored in, Starr's dismal tally of \$34 million squandered with nary an indictment against sinning Bill Clinton is awful. The special prosecutor is a special Asshole.

What Sort of Man *Should* Read BARELY LEGAL?

Ever since he moved in with his 19-year-old TV daughter, Jodie O'Keefe, actor Don Johnson's role as an off-camera father figure has been suspect. His reputation has been jeopardized by gossip-column speculation that he is impersonating incestuous behavior with his delicious *Nash Bridges* co-star. Aging Sonny Crocket, 48 years young, could have spared himself the PR disaster by subscribing to HUSTLER'S BARELY LEGAL: the magazine that gives a man all the pleasures of legal teenage beauties without all the baby-sitting.

FEED BACK

Sopping Sapphos

Thank you for providing HUSTLER readers with a terrific spread of the two buxom beauties tongue- and twat-tied in the March '98 issue (*Lisa and Tanya: Rancho del Sappho*). This pictorial is the greatest I've ever seen. Thank you for such superior entertainment. I can't wait to pick up future issues with more hot Honeys tangled in sweet, sopping ecstasy. Keep up the fantastic work.

—Z. F.
Fort Hood, Texas

Hair Down There

The naked girls in HUSTLER look too much like mannequins, with silicone hooters and no pubic hair around the pussy. When you take the fur off the kitty, you rob a woman of her sexuality and humanity. I don't really care if you answer my letter; just leave the hair on the pussy.

—R. G.
Quincy, Massachusetts

Hair Down There II

I read *Feedback* a few months ago. Some limp-dick asshole had a fucking fit over a luscious, shaved snatch-shot ("Sweet 18," October '97). He probably rides a moped. Next, I read in the March '98 *Feedback*, some dickless wonder kicks his HUSTLER habit because of a Honey with an outrageous pussy afro ("Jungle Bush 3"). He must ride sheep. Fucking grow up, and love pussy. If you can't handle hair, read *Field and Stream*.

—T. W.
Manchaca, Texas

Hair Down There III

In the Holiday '97 issue, Jungle Jill's pictorial (*Jill: Jungle Bush*) is one of the best I've seen. I love hairy women. The first question I asked when I met my wife was if she shaved her clam. Stop nicking legs and underarms with a razor. Throw out the hair-removal creams. Let the hair grow long and soft.

—C. P.
Montgomery, Alabama

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Hair Down There IV

I loved the lovely Jill (*Jill: Jungle Bush*, Holiday '97). I have worked as a licensed electrologist in Hollywood since 1968. I thought Jill's layout was imaginative, yet realistic. Jill is a real beauty and extremely

feminine. The *Feedback* letters have been very cruel. I make a living removing unwanted hair permanently from women like Jill. I must confess that removing the hair from such beautiful creatures breaks my heart. I find body hair to be a real source of attraction, as long as it is not on the face. Jill is beautiful!

—J. F.
Los Angeles, California

Lisa and Tanya: Rancho del Sappho

In an attempt to satisfy all tastes in twat, HUSTLER invites readers to a monthly smorgasbord of snatch to sample. Variety enables fans of the bearded or bald to coexist in harmony.

Bare Down There

The June '96 issue contained a hot pictorial of two girls with clean, bald pussies (*Katie and Erika: Bon Cherie*). I really enjoy the hairless bod. The shaved models look so young and natural. Which brings me to my point. I read in HUSTLER about a magazine called BARELY LEGAL that displays pubeless, flat-chested girls. I bought a copy off the newsstand. The girls in the magazine looked sexy, but too old for my tastes. The fact of the matter is, I'm what they call a pedophile. Maybe that's why I'm here. Prison, that is.

—W. Y.
Fort Dix, New Jersey

Real Smart Slut

I wanted to congratulate HUSTLER's *Dear Slut* column. Giving sound advice on sexuality is tricky. Many magazines fabricate letters, using fake questions from their editorial staff. Even if that is the case with *Dear Slut*, the thoughtful advice really benefits the readers. If Jeanna Fine is for real, she's a sage, and her wise words help people to learn about themselves.

—S. S.
Via Internet

Ms. Fine is flesh and blood, using her mind, body and years of experience in the pleasure business to answer letters from real readers.

Crass Crackerjack

Why is HUSTLER ignoring the biggest asshole in the free world: egg-headed, racist, motherfucking, black ape Montel Williams? Quit fucking around, and nail this brown piece of shit. Slaughter Alec Baldwin while you're at it. He's the bully all men dealt with in Catholic school and may run for President.

—T. J.
Thom, Indiana

Thanks for casting your vote for anal awards, T. J. Nothing turns the stomach like the stench from bloated, self-important assholes.

Hung Like a Horse

In the past few issues of HUSTLER, I have seen a growing interest in women having sex with animals, like Linda Lovelace in the Holiday '97 issue ("HUSTLER's True Fucks," *Bits & Pieces*). Bestiality blows my mind. A friend told me about a movie featuring a pony or horse shoving his huge cock into a woman. Can this be true? Let the readers know this important information.

—C. C.
Albuquerque, New Mexico

No, that was Larry Flynt's dick.

Hermaphrodite Horndog

I've purchased every HUSTLER since the first issue was published in 1974. You guys are number one in the porn business. I'm writing because I have a problem, and only HUSTLER can help. I am in the entertainment business. I own several bars and nightclubs. Like Larry, I've slept with hundreds of women. The *Sex Play*

about hermaphrodites ("Natural-Born Hermaphrodites," April '98) made me extremely curious. I am straight and have never had a gay experience, but the idea of a person with male and female genitals turns me on. Please help me find a she-male interested in a relationship.

—T. W.
Winston-Salem, North Carolina

HUSTLER would love to play Cupid, but giving out Bob Guccione's home phone number to a complete stranger wouldn't be prudent.

Murdered Memory

I need information regarding an article about Gregory Nagel killing the stripper he loved. Please let me know the date, as well as how to order the back issue.

—G. M.
Okeechobee, Florida

The feature, Sugar Sweet Murder: A Bled-Dry Mook Turns Bloodthirsty, appeared in the September '96 HUSTLER. Call subscriptions at 1-815-734-1142 to order any back issue.

Bull Artists

I would like to pose an idea to HUSTLER. I am a bull rider. This year, I plan to ride

the Minnesota rodeo circuit, as well as the North American circuit. I am trying to find a sponsor for the '98 rodeo season. How about the HUSTLER bull-riding team? With support and sponsorship, my partner and I could go all the way to the National Finals. The only thing HUSTLER would have to do is provide an emblem for the safety vest, entry fees, travel expenses and equipment.

—R. K.
Grand Marsh, Wisconsin

America's Magazine already sponsors the HUSTLER bareback-riding team. Hopefully, our bronc busters can stay mounted for longer than eight seconds of glory.

Heebie Jeebies

When will HUSTLER start moving toward the front of the line? This line is becoming extremely long! Evil Jews are in the front, ready to be cloned. Barbra Streisand and Steven Spielberg are working the cloning machine at the opening of the world gates. Larry, get your chair rolling to the front of the line! The world needs multiples of you.

THANKS AND \$50 GO TO DONNIE A.

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

TOILET TREATMENT

I am a 20-year-old, male music major. I have never been involved in an intimate relationship with a woman. Every time I pursue a girl, she loses interest in me. My friends tell me I'm too soft on females. Is it true that women want men to treat them like shit?

—T. T.

Grand Rapids, Michigan

As long as you don't mean putting your foot in the little lady's ass if she burns the chicken pot pie or refuses to open your beer, your friends have a point. Don't be a milquetoast. Women, like men, enjoy a challenge and the thrill of a chase. We want independently minded men, rebels and free thinkers who don't always follow orders. But treating a woman like flushable feces is taking good advice too far. Nice guys don't always finish last. There's no reason to change your behavior from one extreme to another. Find the middle ground. If being yourself doesn't help to bag the babe, then you're not wooing the right woman.

BIRTHING BEAUTY

I am a well-formed beauty with a compact ass and tummy and C-cup tits. I love flaunting my sexuality. My husband and I want a baby. I'm sure I'll look sexy when I'm pregnant, but I'm still worried. You mentioned in your column that you recently gave birth. Looking at your videos, your body is tight and perfect. How the hell did you hide the evidence so well? Surgery? Diet? Exercise? Luck?

—K. N.

Lancaster, Pennsylvania

Sorry, sweetie, but luck is the answer. You're inquiring about the inner workings of the lottery of life known as genetics. How I manage to look better now than I did before my pregnancy is the work of higher powers. Exercise and diet play a huge role in recovery. I suggest low-fat protein, grains and fresh vegetables. Stretch marks are a different story. I have slight purple lines around my nipple from the baby. Laser technology zaps away the unsightly problem.

PUNISHING PLEASURE

I am an attractive, 30-year-old female. A hot lesbian from my health club keeps flirting with me. She says she wants to tie me up and spank my bare ass. The notion of experimenting with bondage and punishment makes my vagina wet, but scares me at the same time. I'm nervous that my lack of experience will bore her. She seems so worldly. What should I do?

—K. O.

Santa Barbara, California

You sound like the perfect candidate, every S&M lesbian's dream-come-true. Your lack of experience excites the ass-

slappy vixen. I suggest you drop your panties, stick out your butt and have fun. Take the necessary precautions when playing with new bondage buddies. Never go to a stranger's house to be beaten and locked in a closet without a caring friend knowing the address, phone number and when you plan to return. Select a safe word with your partner that signifies Stop. But if this wily woman is as experienced as she sounds, be ready to blush and gush.

HEAVY-METAL PRICK

Piercing the end of my dick hurt like hell, but the results are worth the pain. Chicks want to see and touch my prick. With all the sexual benefits and appeal, how come I don't see more pierced cocks in porn?

—G. E.

Charlotte, Michigan

The male actors in porn portray normal characters: the everyman. We know that the average Joe isn't hung like Alex Sanders or Mark Davis, but porn is a mass-media market. Not everyone wants to see a cock with a six-penny

Dear Slut

(continued from page 14)

Next time you're in the shower, ask her to hold your cock while you squirt some piss. Help her handle your hose. If she's fun-loving, she'll understand. Start at the feet, and work up.

nail hammered through the head. Companies limit their audience by specializing in an area that many fans would consider fetish. Videos of pierced penetration exist, but the major labels stick to wholesome, all-American, unperforated peckers.

FOOD FUCKER

The thought of fucking my girlfriend with food arouses me. My girlfriend claims sex with food is unsanitary and could cause an infection. Is she right?

—G. S.
Lincoln, Nebraska

Ever hear of mad-cow disease? How about pesticides? There are important questions to ask before fucking with food. Is the food fresh? Did you wash it? Sex with an organically grown cucumber or banana is perfectly healthy. Avoid penetration from raw meat, aside from your own blood sausage. Never stuff your girlfriend's uterus with fruit salad and let her pussy ferment. Make sure the food object has smooth edges. You don't want to scratch her insides. I advise your girl to douche with a light distilled water after the sex to wash

away any uninvited germs attending the pussy picnic.

NORMAL JERK

I've been dating my boyfriend for just over a year. We have an active sex life, fucking four or five times a week. I came home from work early last Wednesday and caught my lover jerking off in the bathroom. Is it normal for a guy to masturbate even when he enjoys good pussy on a regular basis?

—B. F.
Sea Cliff, New York

I hope so, or I would be out of business. Of course masturbating is normal. Men do not stop fantasizing just because they are getting laid. Making love to yourself is a wonderful, relaxing and fulfilling activity. Many times a man is alone in the shower, and junior raises his pink head. His cock is warm, soapy and feels great. He touches himself and indulges in a fantasy. He comes. He doesn't have to say, "I love you," cuddle or talk about his feelings. Next time you catch your man spanking his monkey, ask to join the action, and put your mouth on his cock. Or better yet, sneak away, stick your hand in

your panties, and grab a few digital moments of your own.

PEEING PROPOSITION

My girlfriend and I love having sex in the shower. The hot water feels terrific on my face and back as I lick her cunt. Lately, I fantasize about my girl showering me with her piss. How should I approach her with this peeing proposition?

—A. L.
Manteca, California

You admit your passion for piss to me, a complete stranger, and a nation of HUSTLER readers. Now share your fantasy with your girlfriend. Communication is the key. Watersports are fun and stimulating. There's nothing harmful in urine if both partners are healthy. Explain to your girlfriend that if lost in the desert, survivalists drink their own pee to stay hydrated. Next time you're in the shower, ask her to hold your cock while you squirt some piss. Help her handle your hose. If she's fun-loving, she'll understand. Start at the feet, and work up.

CHOKING CHICKEN

What's up when a sex freak cuts off a woman's oxygen by strangling her at the point of climax, like in the movie *Rising Sun*? I think the process is called erotic asphyxiation. Does depriving the body of oxygen really heighten an orgasm, or is this a lie?

—D. C.
Providence, Rhode Island

First of all, the act of strangling shouldn't cause sexual excitement. If that's the case, the participant is a psychopath. To answer the question: Yes, erotic asphyxiation heightens orgasms. I strongly discourage experimentation by amateurs. People often go too far. Cops rule the naked, blue body a homicide or suicide. Just ask Michael Hutchence from INXS. Oh, wait, he's dead—found naked with a belt around his neck. Inhaling chemicals, like Lockerroom or Rush, effectively kills brain cells and causes fleeting highs without leaving red welts around the neck.

JEANNA FINE

Do you have a question for Jeanna? Write to *Dear Slut*, c/o HUSTLER, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail at slut@lfp.com.

HOLLY AND HEATHER

CRIMES

AGAINST NATURE

PHOTOGRAPHY BY MATTI KLATT

Heather never dreamed that stealing a full-length mink coat would result in a violent fisting by the long arm of the law.

"Shoplifting is illegal," hisses dykey Officer Holly, brandishing her nightstick.

"I know my rights," Heather protests weakly, falling to her knees.

Holly silences the suspect with a mouthful of breast.

The vengeful policewoman spreads Heather's legs and plunges her club into the criminal's saturated snatch.

Subdued fully in the cop's custody, Heather moans: "If you stop, I'll scream police brutality."

FEEDBACK

(continued from page 13)

you sure you haven't stumbled into the line for lithium, B. H.?

Gift Gripe

I'm writing in response to a letter in the April '98 issue of *Feedback* ("Free for \$39.95"). I agree one hundred percent with R. M. Subscribers should receive a free gift with their paid subscription. I've read *HUSTLER* for years. I deserve at least a complimentary calendar. What do I have to do to get something free from *HUSTLER*? —R. K.

Erie, Pennsylvania

HUSTLER provides various premiums, such as a free calendar, with paid subscriptions. Call customer service at 1-800-566-5760. They'll verify your subscription and make sure that the postman delivers the freebie discreetly to your doorstep, assuming your mailman doesn't have hot hands.

Old Ass Blast

I am a longtime porn connoisseur. Upon seeing the pictorial *Chrissy: Saturday Night Raver* (September '97), I went nuts. This was the best spread I've seen in any men's magazine in the past 20 years: an attractive, slender young woman with real breasts and a normal amount of pubic hair covering her sweet little vulva. Her bare feet turn me on as well. Needless to say, I was somewhat disappointed to read that the set was more than two decades old. This is not a specific criticism of *HUSTLER*, which I think is the best men's magazine on the market, but a criticism of the trend in nude pictorials over the past ten years. —M. S.

Rock Island, Illinois

An Inkling for Tinkling

I really enjoyed reading the *Sex Play* article about watersports by Ruth Callett ("Wild About Watersports," December '97). I'm surprised that *HUSTLER* would print a fetish article of such extreme nature. I wanted to know where I could find more information about the pleasure of peeing? —K. D.

USS George Washington

Aside from donning a wet suit and plunging into a Port-a-Potty, *HUSTLER* suggests you peep the proper peeing etiquette from a squirting Martha Stewart in the *Bits & Pieces* "Celebrity Beaver Hunt" on page 10. For a full fix of fetish, check out the debut of our new

magazine, *HUSTLER'S TABOO*, in June 1998.

Tits and Articles

We just received the March '98 issue of *HUSTLER*. It is absolutely great, except for the idiot who put Larry Flynt in the same class as Bob Guccione (*Feedback*, "Jungle Bush 3"). My girlfriend loves the pictures, but when you've been reading *HUSTLER* all your life, you come to expect gorgeous models every month. I honestly enjoy the articles. The Cuban whore adventure (*iViva las Putas!: Whore Stories From Fidel Castro's Fantasy Island*) was cool to read while kicking back and smoking a joint. The cartoons were

hilarious, especially the "Million Woman March." Keep up the good work. —J. D.

SEX SHOOTER

Everyone has read a bogus book about how to pick up women. You know—the type of cheap volumes filled with advice such as, “Whisper when you talk to her.” I must have acquired 50 of these timeless tomes over the years; not one actually worked. So I set out to change those rather pathetic averages.

First, I created and patented my own sexual device, the Vagometer Fuck-Gun. Basically, it's a metal box with a vibrating dildo attached. I also stuck on a bunch of wires to make the Vagometer Fuck-Gun look more imposing. Believe it or not, the Patent Office claims no one had ever thought of the idea! Then I placed an ad in the city's free weekly newspapers.

“Sexual behavioral scientist will pay ladies for research project,” read the small, grubby classified. The response was quick and overwhelming. A sexy-sounding woman named Frida called; she described herself as a buxom blonde. I explained my intention to collect data for the ultimate book of dating advice. Frida seemed intrigued. As a matter of fact, she seemed downright horny.

My suspicions proved correct when Frida arrived on my doorstep dressed to fuck. Black, stiletto heels made her tower above my head. Her ripe, very exposed bosom stared me straight in the eye. If my experiment worked, Frida would go down in history as the best piece of ass I ever bagged. Hell, I just wanted her to go down on me!

With Frida's permission, I hooked up her unclothed body to the Vagometer Fuck-Gun. Wires were taped to her supple flesh. She crouched over the dildo and slowly introduced the plastic tip to her depths.

“Unngh,” moaned the big, beautiful bitch. “Doctor, I'm not quite wet enough for full insertion. Could you lend a hand...so to speak?” I caught her clever innuendo and stripped off my lab coat (actually, it was just an old trench coat, but Frida didn't seem to notice). My hard-on was already raging in the name of science.

I crept behind the crouching blonde and pressed myself against her cool, smooth back. God, I hadn't been laid in a long time! If only I had spent less time reading those goddamned books and more time trying to score scrunt. Graciously, my right hand traced over Frida's pubes and pressed her love button. Having achieved

clitoral contact, I ran my other hand all over her bare backside and breasts.

“Now I'm going to fire the rays of the Vagometer Fuck-Gun,” I gravely intoned. “I want you to be prepared for a mild shock; the thing has a tendency to short out.” A switch was flipped; with a loud squeak, pistons pumped the sopping dildo in and out of Frida's hungry hole. She cried and creamed loudly, gyrating against the plastic plunger. My trouser snake slithered his way between Frida's bouncing bum cakes.

“Increase digital stimulation, Doctor,” begged Frida. I nimbly frigged her swollen clit, sending the quivering quim into an absolute orbit of carnal frenzy. Back at the cheeks, my hairy little friend was trying to make a back-door entrance. Unfortunately, Frida wouldn't sit still long enough to allow anal penetration.

Operation: Sex Siege

FULLY ERECT

Directed by Nic Cramer; starring Ivy Crystal, Dina Jewel, Elone, Zenza Raggi, Mariana Kiss, Orsolya, Clarisse, Timeo Kiss, Mike Foster, Zoltan Hess and Mike Beck.
Videocassette: Private Gold.

As Hungarian beauty Dina Jewel sups dual dongs in her greedy yap, the viewer lauds helmsman Nic Cramer for this nut-draining epic of international espionage. Not since *The A-Team* has the small screen experienced such gratuitous use of helicopters, hand-to-hand combat and guns. *Operation: Sex Siege* is the rare big-ego, high-budget porn vid that successfully combines ass-kicking violence with ass-licking fornication. The foreign starlets' garbled English may be tough on the ears, but their firm, supple bodies prove easy on the eyes. Below deck, full-bodied Dina spreads her plump cunt lips for the first mate. In the must-see disco orgy, three frenzied Euro sluts attack like piranhas and slurp the marrow from hump bones. Brunet strumpet Ivy Crystal wiggles her firm ass and natural tits out of bondage to bone her thick-lipped captor. After her enemy comes in her face, she cripples him with a flying karate kick. *Operation: Sex Siege* is one part James Bond, one part Jackie Chan and 100% hard-core.

—Mitch Shepard

SEX SIEGE: Raggi plunders Jewel's tuna trove.

SEX SIEGE: Orsolya and Clarisse.

SEX SIEGE: Jewel and two breast friends.

Bra Busters

Heavy-Hitting Tit Videos Slam Market

"Men like big tits for all kinds of reasons," asserts a spokesman for H & S Sales, the nation's premiere supplier of hard-core breast-worship videos. "They're soft and comforting. They bring back memories of the nurturing love of mother. If you think about it, most people on Earth lived off of milk from breasts at one point in their lives."

Jerking off on a mountainous set of whoppers isn't always possible in life, but H & S Sales offers a mother's lode of jumbo-jug beat-off videos. Their expansive, photo-illustrated catalog weighs in with more than 400 titanic-tit features.

Thunderboobs, Deutschland's *Busen Wunder* import series, *Big Tit Hookers*, *The Duke of Knockers* and *The Best of Tittfucking* are fully hard-core and occasionally anal.

The *Reel Classics* line delves into the glory days of all-natural, extra-large milk-can maidens performing nudie-cutie tricks in color and black-and-white stag films.

Pumpin' Plumpers and *I Love Fat Girls* rank among the most grotesque spectacles of flesh available anywhere. Fatty chasers will dig stomach-churning scenes of sideshow-quality obese bitches engaging in sperm-guzzling acts of depravity.

Milder and less sickening forms of palm-fucking fun are provided by freakishly endowed floozies, such as Twin Volcanoes, whose 100% real floppers are so gigantic, she can twist them into a knot.

Dairy Farm Girls and *Pregnant*

Mamas present lactating cows who engage in milk-spurting acts of perversion as their bellies swell with the unborn, messed-up kids of the future.

The H & S Sales catalog can be ordered at a cost of \$5 by phoning: 1-800-677-5564.

Lethal Weapons conquers enemy choad in *Der Champion*.

Rob Black's Gangbang Angels

ONE-QUARTER ERECT

Directed by Rob Black; starring Stephanie Swift, Mark Davis, Mickey G., Vince Vouyer, Kyle Stone, Tom Byron and eight uncredited fuckers. Videocassette: *Elegant Angel*.

Is *Gangbang Angels* a fuck video or a gross-out contest? Not only does petite, Eurasian trollop Stephanie Swift fornicate with a pile of 13 goons, she also tongues each creep's bung and kneels while the Neanderthals spit in her face, slap her and call her whore. Stomach-churning views are presented of Swift teething like a pup with a chew toy on an uncircumcised dude's excess wiener skin. Occasionally, *Angels* is decently filmed. The camera zeroes in on Swift's tiny mouth foaming on a succession of putzes; it lingers on close-ups of her sphincters engulfing and disgorging pale-pink links of man sausage. Though not credited, Ron Jeremy's hairy, blubbery hide fills the frame of the final shot as he discharges the last sticky load onto Swift's abused kisser. Helmsman Rob Black claims to make the dirtiest adult videos available today. *Gangbang Angels* is dirty; watching it is the visual equivalent of stepping in a pile of dog shit.

—Mack Assarian

Ancient Asian Sex Secrets

ONE-QUARTER ERECT

Directed by Ralph Parfait; starring Kobe Tai, Chloe, Stephanie Swift, Lana Sands, Kia, Steven St. Croix, Mark Davis and Jon Dough. Videocassette: *Vivid*.

Although not readily apparent, *Ancient Asian Sex Secrets* is a XXX spoof on the '70s television martial-arts series *Kung Fu*.

A chubby Lana Sands has a mid-blowjob flashback to a lesson from her youth on the topic of how to remove noodles from her nipples using only her mouth. As Steven St. Croix's squirting snake slithers into Sands's furry cave, the plush grasshopper flashes on a horizontal muff-dive between Kobe Tai and Chloe. The proven *Kung Fu* format, however, only narrowly offsets a lethargic effort whose inefficient camera angles and lackluster supporting cast magnify the fact that Kobe Tai is overrated as a sneaky-eyed sexpot.

—Steve Slauson

John Leslie's the Voyeur #10

THREE-QUARTERS ERECT

Directed by John Leslie; starring Nikki Anderson, Erika Bella, Amanda Steel, Mercedes, Brigitta, Vanessa, Malory, Wvanda, Emanuell, Zenza Raggi, Dorian Lux, Leslie, Andrew Youngman, Frank Gun, John Walton, Mike Foster, Zoltan Cowboy and the Voyeur. Videocassette: *Evil Angel*.

The Voyeur begins with the most basic of male fantasies: find a hot-looking broad on the street, follow her home and fuck the shit out of her. Nikki Anderson plays the broad stalked on the street. Anderson is the sort of blonde that stalking laws are designed to protect. With her appealingly wide tail, all-natural, no-filler chest puffs and translucent ice-goddess skin, Anderson wiggles on the screen like a sperm magnet. What could be better than seeing the platinum-haired wanton flipped upside down and schtupped silly in the privacy of her bathroom? A half dozen more scenes, each one pandering to male stalking dreams with alluring, appealingly sleazy Euro tarts lost in the pleasures of sodomy, clam lapping, double penetration and gang-banging. *The Voyeur* is pure fantasy, but the sticky mess left in the satisfied viewer's hand isn't.

—M. A.

GANGBANG ANGELS:
Swift licks a row of assholes.

ASIAN SEX SECRETS: Kung floozie Kobe Tai cunt-flips onto Davis's dork.

Sin-a-Matic 2

ONE-QUARTER
ERECT

Directed by Jon Dough; starring Tereza, Stephanie Swift, Mila, Alexandra Silk, Holly Body, Deva Station, Suzy Cat, Jon Dough, Vince Vouyer, Peter North and T. T. Boy. Videocassette: Vivid Raw.

More than a half dozen bouncing, bubble-headed ball lickers romp through *Sin-a-Matic's* Hawaiian-style humps. Outdoor locations on the tropical isles ensure poor lighting and a rumbling soundtrack. T. T. Boy hornswoggles his way into satiny shitters belonging to Holly Body and Suzy Cat, then paints their smiles while Dough barks directions off-camera. "Pull your skirt aside; keep sucking it." Body's atomic whammies boom from her chest like mushroom clouds, and she inhales chud like a choking victim gasping her first breath, but Dough's directorial mutterings puncture the performance. Sweetly whimpering fuck face Alexandra Silk raises her fanny toward the sun. Silk's silver hot-pants bind her knees as a meat-seeking missile sails into her slit. But the camera spins away to follow a jumbo jet arcing lazily through the sky. *Sin-a-Matic* promises tropical heat, but often runs cold.

—M. A.

New York Uncovered

HALF
ERECT

Directed by Neville Chambers; starring Cynthia Hammers, Sammie, Anna Malle, Ondrea Castille, Shelly Berlin, Ray Horsch, Hank Armstrong, Pierce Bentley, Mack Cannon and Jodie Winchester. Videocassette: Plum Productions.

Dramatic adult videos that demand complex dialogue and acting skills usually overtax the talents of their cocksucking cast members. *New York Uncovered* avoids that pitfall by casting the talent in roles that seem to come naturally. The chicks play bullying, illiterate retards, i.e., rogue New York City cops. A blowsy, redheaded hooker is hauled into an interrogation room for an anal-cavity search by a flabby police officer, who probes her crack with rubber-gloved fingers, then flails her crap chute with his skin baton; uniform cops bust a pair of felonious skanks in a clothing store and detain them for the purpose of making unlawful entries deep into their gullets; a tramp is hauled in for public lewdness, and the arresting dick uncovers a gigantic mound of unshaved beaver. *New York Uncovered* is a decent find.

Cookie and Cancer-Stick Maker Chokes on Adult-Vid Parody

The adult industry has a rich tradition of parodying well-known Hollywood films with such titles as *The Sperminator*, *Hannah Does Her Sisters* and *When Harry Ate Sally*, but Al Borda's release of *Whoreo*, an all-black gang-bang of a white chick, drew the ire of Oreo cookies owner RJR Nabisco. On May 8, 1996, Borda claims that 20 U.S. marshals and attorneys from RJR Nabisco raided his Chatsworth, California, business and confiscated videotapes and records pertaining to his sale of *Whoreo* and its sequel, *Whoreos*.

For years, RJR Nabisco's attorneys have fended off charges that the company pandered to children with its lovable (now retired) Joe Camel cigarette character and that the corporation lied to the American public about its efforts to market highly addictive and lethal products. Turning their attention to the porn industry, RJR Nabisco's legal brains have sought to collect damages from the makers of *Whoreo*, an amount that Borda claims

totals anywhere from \$60,000 to \$15 million.

"If they had sought a cease and desist, we would have stopped selling the tape," Borda laments. "But they're going after us for damages from copyright and trademark infringement and dilution of product."

What is dilution of product?

"That means, if some guy is hungry for cookies, he goes into a video store and buys our tape, thinking it's a box of Oreos. So, if that happens, we've diluted their sales."

"The RJR Nabisco guys act like they're horrified to have their good name associated with the dirty porn industry," Borda observes, "but if they win a huge settlement from us, we'll be making and selling videos for years to pay off RJR Nabisco. At least they'll be profiting from something that doesn't kill people."

RJR Nabisco attorneys did not respond to repeated requests for comment on this case. Perhaps they were all out on a smoking break.

Directed by Johnny Rey;
starring Charlie, Ian Daniels, Kira,
Gino Greco, Cherie Leveux,
Richard Keyz, Monique, Jeremy Steele,
Sharon Kane, Cole Reece, Mia Ciccerio,
Menage Trois, Macy and Naome.
Videocassette: Pleasure Productions.

The opening scene in *Wall to Wall Volume 2*: an amateur couple in a cheap motel room. The nicotine-stained dominatrix dons a gargantuan strap-on dildo. Her milquetoast lover trembles, fearing imminent anal violation. She plunges the ersatz cock into his clenched raisin. His grimaced visage broadcasts intense pain. Again and again, she ruthlessly stabs his colon with her shit-smearing sword. The claustrophobic viewer silently screams, frantically searching for an exit. Instead, he is trapped in a maze of horror. Two ghetto betties with gang tattoos mutually explore their polluted-looking love canals with slithering eel tongues and jewel-encrusted press-on nails; a behemoth bitch holds up her rolls of belly fat to expose the grayish-pink mess of her pussy, then body slams a pony-tailed male victim in the bathroom. *Wall to Wall Volume 2* should only be viewed to induce vomiting. —M. Zenza Raggi, Rocco Siffredi,
Mike Foster, Zsolt Walton, Steve Hard,
Andrew Youngman, Cowboy, Cho-cho,
Joe Koo and Marlon Xtravaganza.
Videocassette: Evil Angel.

The plot of *Buda* is incomprehensibly awful. The four-hour, double-cassette video takes place in Budapest, where helmsman John Stagliano and his side prick, Rocco Siffredi, attempt to

sodomize East European girls for a XXX vid. Underworld thugs kidnap Siffredi; testicles shrivel with alarm when Siffredi is nearly raped by a screeching transvestite. Subtitles crop up during painfully long dialogues in foreign languages. As if anyone gives a shit. Fortunately, Budapest is crawling with prime, exotic tail. Bubble-assed ginches split their cracks for multiple keisterings that leave hands sticky with appreciation. Stagliano's eye for capturing every contour of the beautifully formed floozies' curves and crevices remains unparalleled. *Buda* would be twice as good if it were half as long. —M. A.

Joel Lawrence, Valentino, Billy Glide,
Colt Steele, Vince Vouyer
and Jake Steed.
Videocassette: VCA Platinum Plus.

In *Rearview Mirror* Helen Duval addresses the fourth-wall viewer in a bar, spinning salacious tales of her days as a chauffeur. As Duval babbles, her synthetic mams flop to the side like an alcoholic aunt's wig after too much spiked eggnog. Her stories are vaguely interesting. In a back-seat business conference, entrepreneur Valentino power-breakfasts on Jamie Lee's quim, white-washing her upper lip with gallons of curdled cream like a "Got Milk?" ad gone awry; a porcine pretty and Stephanie Swift loosen up on prom night, yanking up their dresses and peeling off white-cotton panties. Their dates, drunk on Champale, mount the lovelies, pumping away in their pink corsages. High-fiving, they shoot spuzz on their cummerbunds and return home before curfew. *Rearview Mirror* offers a pleasant palm ride, but no reason to look back. —M. S.

Directed by Ralph Parfait;
starring Lori Michaels, Sindee Coxx,
Mila, Jacklyn Lick, Mark Davis, Brad
Armstrong, Tony Tedeschi and Henri
Pachard. Videocassette: Vivid.

Occasionally, a deep, meaningful butt-fuck can salvage an otherwise unwatchable production. Case in point: Brad Armstrong's poetic welling of Sindee Coxx's ever-consensual pooper in the opening scene of *Bad Girls 7*. The remainder of the low-concept, low-dollar prison flick is as predictable and as erotic as Chris Farley's heart attack. Sindee Coxx and Mila engage in a lickfest that wouldn't turn heads in a real prison, while Tony Tedeschi pretends to fuck some skag named Jacklyn Lick. Other penal imperfections include poor lighting, weak money-shots, ridiculous violin music, Lick's hideous leg tattoo and a 95-second period when the screen goes black for no apparent reason. *Bad Girls 7* is best described by the adjective in its title.

Directed by Michael and Missy; starring Missy, Jill Kelly, Ruby, Jacklyn Lick, Johnni Black, Stephanie Swift, Alexandra Silk, Nici Sterling, Mickey G., Brad Armstrong, Peter North, John Decker, Vince Vouyer, Alex Sanders, Steve Hatcher and Mark Davis.

Videocassette: Wicked Pictures.

Heart & Soul presents four fuck vignettes in settings decorated with fake-marble statues, rose petals and plastic ivy to approximate the look of a Hallmark card. Deep-thinking, blond hump kitten Missy recites poetry that sounds like it might have been plagiarized from the journal of a socially retarded seventh grader. In "Fear," the first drama, Missy's poetic flights of fancy turn to guttural screams as three fat cocks simultaneously invade her tight orifices. Triple-penetration culminates in a cum downpour that drenches the blond carnivore. Unfortunately, high standards of artistic depravity are not maintained. In "Fantasy," one of the most torturous scenes ever to find its way into a wretched adult entertainment, Peter North plays Queen of Mardi Gras and dons a sparkling feathered mask in order to dork a vixen who wisely hides her face behind a layer of veils. The costumed couple awkwardly labors like ostriches in heat. *Heart & Soul* is gutless. —M. S.

Hot Letters

(continued from page 31)

I commanded Marie with two of her favorite words: "Swallow it." Luckily, there were no Twinkies or cupcakes around to compete with my dingdong.

Instead, her firm rump milked my bone like a titty fuck from behind.

Frida's climax was imminent. Her spasms began in the chest area, sending those two creamy orbs flopping in opposite directions. Our mouths fused together, and her tongue slipped down my throat. Whatever perfume she was wearing smelled so fucking good, I swore to burn my entire library. From that moment on, I devoted my life to beaver!

"Yesss," hissed the orgasmic researcher. "Fuck. Me. Fuck. Me. *Fuuuck!*" Her eruption was violently volcanic. I noticed an involuntary clenching of her gluteus-maximus muscles; the friction was sufficient to unleash my own load.

I howled, "Thank fucking God, I'm coming!" When it's been a long time since my last spurt, I throw science out the window and turn religious. My vocal enthusiasm was matched by a geyser of chum, spraying a straight, white line that began at Frida's tailbone and ended between her shoulders.

The last buck of Frida's hips was accompanied by a sickening crunch. Sparks flew everywhere. She'd smashed the Vagometer Fuck-Gun! We fell to the ground and panted among the exposed wiring.

"Well, Doctor," Frida gasped, "we'll simply have to continue our studies with more organic methods." Having said as much, she dove to suck my limp, spermy sausage the way most babes reach for a postcoital cigarette. I can't tell you guys out there how to get laid, but I'm having the time of my life.

HOMEBOODIES

Landing a job where I work out of my home was the greatest move of my life—and my sex life. I finagled a hoity-toity administrative position with a government agency five years ago. So far, it's been a dream-come-true. My wife is never around; so she doesn't notice the procession of hot, young chippies the agency sends over to help with paperwork. Usually, the only assignment these trollops get their hands on is straightening out my long, skinny, crooked willie.

Recently, a particularly fuckable fleshpot was assigned to my case. At a ripe 22 years of age, she was older than most of the volunteers who sign on, but I wasn't about to complain. This big-boned bitch looked just like Marie Osmond—a favored splooge fantasy of my youth. We'll call the temp tramp in question by the name Marie as well; if this letter isn't anonymous, I'm afraid my wife will find out.

Marie worked in the west wing of the house, making copies and tackling other brainless bimbo tasks. I kept a close eye on her for weeks before finally approaching her. She was bent over the copier, wiggling her gargantuan heinie ever so temptingly. One could argue that Marie's pooper pillows were a little too plump, but can a man really get his hands on too much ass?

"Oh," exclaimed a startled Marie as my palm slapped her cushion. "Excuse me, sir. I didn't mean—that is, I—oh, damn." Like a child caught with her mitts in the cookie jar, Marie handed over her Xerox project: a photo of a nude beefcake model with my face pasted on top!

I spat a weary, "Tsk, tsk," in order to allow Marie a teasing glimpse of my tongue. Women tell me I'm the best cunilinguist they've ever met; whenever the chance arises, I flash the tool of my trade. "Marie, you've been caught in a rather compromising position. I feel your pain; it's happened to me many times. Let me soothe you where it counts."

Within seconds, her skirt was lifted, and her bare butt rested upon the copier. It's funny how heifers like Marie often have petite, polite beavers. Big girls don't get fucked as much; so things stay tight south of the belly.

I dove for her intimate juices, lapping

the smooth, salmon-colored folds of her pouty pussy. She shook and shimmied, smearing snail tracks across the glass. At one point, Marie accidentally hit the START button; the ensuing flash of green light did not divert my muff-diving mission.

Swooning, the plus-size honey babbled, "You really live up to your nickname, Champ. So tongue-treat my clitoris like Muhammad Ali with a punching bag!" Marie seemed so sweet and innocent at first, but now she was talking dirty and digging her nails into my silvery head of hair. I jabbed, spun and poked two fingers into her taut clam. Her walls contracted with a shudder; I realized I'd better slow down and stave off her orgasm until I could receive a little genital service as well. Like a gentleman, I hoisted Marie from her perch and plopped her large frame before me.

I commanded Marie with two of her favorite words: "Swallow it." Luckily, there were no Twinkies or cupcakes around to compete with my dingdong. Her broad facial features pressed themselves against my pubes; Marie managed to down the whole enchilada in one gulp. My hands clenched her helmet of dark, sprayed hair. Brutally, I fucked her great big piehole. The chubby slut loved every bite. Once in a while, she looked up at me

All around me, the same women who spurned my advances were hysterically crying. I kind of got off on that, but there was no time to palm my bishop.

and smiled, which scared the hell out of me. This sow had immense choppers!

"Marie," I rasped, desperate to withdraw from her esophagus before an accident of Lorena Bobbitt proportions went down. "I'd love to lay you on this expensive carpet and pork the shit out of you. But I'm sorry to announce that I've got a meeting in five minutes." Having made my apologies, I reclaimed my diggler from its tonsil-reconnaissance mission. Jizz belched from the engorged tip, splattering upon Marie's oversized chin and cheap, blue Kmart dress. I heaved a sigh of relief and peeled off one last squirt into her eye.

Marie hasn't been back to the house since that day. I suppose she got what she wanted: nice, steamy head from the man they call the Champ. My wife taught me everything I know, but I don't think it's important to tell my wife how I use that knowledge. Eating ain't cheating.

TRAGIC BUS

My hands are shaking as I type this letter. The nervous tremors have little to do with the fact that I just jerked off to a soft-core, cable sex-flick starring Sean Young. Although that hot fucking tramp is enough to turn any man into an epileptic! You can tell she probably enjoys anal sex on a regular basis; she's got the sick-bitch look and demeanor of most chicks who crave a kiesterful of the large, stiff stuff. But I digress.

I'm flustered by what I saw after flipping the channel away from Sean's shapely shitter and onto *CNN Headline News*. Recently, a bus carrying college kids from the United States was ambushed in Guatemala. The despicable, inhuman hijackers robbed everyone on board and dragged five young women to a nearby sugar plantation.

In the cane field, the unwilling coeds—whose ages ran the tender range of 18 to 20 years old—were repeatedly raped. When I ponder the horror of those sweet, innocent, teenage girls lying facedown in the dirt...tight jeans around their ankles and bare bottoms exposed to the brutal, sweaty thrusts of swarthy terrorists...well, I'm actually forced to step away from my keyboard for a moment. I need to cool down.

Sorry, but nothing chokes me up like the assault upon an unsuspecting nubile. Adding insult to injury, a Guatemalan ambassador appeared on the television screen to dismiss the rape-and-pillage reports as "exaggerations."

"We don't believe that portraying Guatemala that way is a just way," stated Pedro Lamport, the greasy, ugly little Central American apologist. My cock was already limp; now the flaccid member was about to implode in disgust. If only I had saved my load for a contemptuous splat upon his cathode countenance! I know the true horror within the region's lush jungles...for I, too, was raped in Guatemala. Perhaps reliving the experience within the pages of *HUSTLER* will exorcise the demons I've grappled with since that fateful, humiliating day.

Last summer, I found myself on a noisy, rundown bus, sweating profusely while chugging past Mayan ruins. My best friend, Victor, had talked me into a hellacious week with his Guatemalan activist group. Their tour needed extra bodies for a petition of the United Nations' Committee Against Torture.

The real torture was spending seven days in a smelly, filthy country without drinkable water. I didn't speak the language; I didn't appreciate the preponderance of maggot-encrusted roadkill in the streets; worst of all, I didn't get laid. Not a single one of the foxy, big-breasted, Earth-mama, activist babes from San Francisco's most "open-minded" university agreed to suckle my palooza.

That's what I call hypocritical!

My balls turned a deep shade of blue from the lack of pussy, pornography (which is illegal in Guatemala City) or even late-night cable television. I was pondering what a sweet life we masturbators take for granted in the good ol' U.S. of A. when six men in militaristic fatigues stormed onto the bus.

The leader was a Fidel Castro look-alike who brandished a machine gun and screamed gibberish at the top of his lungs. All around me, the same women who spurned my advances were hysterically crying. I kind of got off on that, but there was no time to palm my bishop. Fidel ordered everyone to file outside, where we were stripped of our clothes behind a decaying temple.

Unfortunately, the woody I so cleverly concealed within my Fruit of the Looms only grew bigger when exposed to the balmy breeze. And when the row of hippie chicks popped their tops, I thought I was going to pop all over a terrorist's leg! Those helpless lovelies were still appealing, vivacious females, even while tearfully staring down the barrels of automatic weapons.

Man, you should have seen this one captive cutie, Donna. She packed a

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

HAVING KIDS IS A SUREFIRE WAY TO SCORE CHICKS

BY SELWYN HARRIS • ILLUSTRATION BY JIM BLANCHARD

"She's got her mother's eyes, her Aunt Susan's freckles, and she's the greatest thing that ever happened to her daddy's dick!"

So beams proud papa Keith Bolding as he fusses over his infant daughter, Kayla, in New York City's Riverside Park. Bolding refers not to incest or pedophilia—"I'd kill anyone who so much as thought of Kayla in a sexual way"—but to the irresistible pull that cute babies exert on cute women.

"In the half year since the baby was born, my life has been pussy paradise," Bolding says.

As though to punctuate Bolding's testimony, a chesty, red-haired coed from nearby Barnard College detours off the jogger's path directly to Kayla's stroller.

"What a gorgeous baby!" the sweats-clad teenager coos into the carriage. "What's your name, sweetheart?"

"Her name is Kayla," Bolding interjects. "What's yours?"

"Erin." The jiggly jogger giggles. "You have the most beautiful baby. I wish I could take her home."

"I'd miss her too much," Bolding chuckles. "But we'd love to come and visit you."

"Would you?" A hint of naughty knowingness slips into Erin's voice.

Bolding follows Erin to her dormitory suite. Erin's roommate is delighted to mind Kayla while Bolding tends to business.

"I fucked the redhead three times that first day." He grins. "She told me she was moved by the obviously deep affection I felt for my daughter. I slapped my schlong between her huge, creamy, 19-year-old mams and tweaked her plump, pink nipples. I thought, You have no idea how deep it goes. Then I blew a load on her face."

"Thank God for kids."

Watch women watch men with infants. Primal, biochemical maternal instincts take hold. The females become transfixed, edgy and obviously turned on. The sight of a father

arouses myriad hot points in the female psyche: her own pop, her biological drive to reproduce and the loaded fact that the little sucker has a mommy somewhere.

In the February 1998 issue of *Details* magazine, rock songstress Liz Phair supports a notion that first-time dads have happily stumbled upon for centuries. "Women love a man with a baby," quips Phair. "It's not about the baby—it's that the baby means another woman has marked him as desirable."

Horny men have long lauded the power of walking a dog in pursuit of pink, but mutts are weak cooze magnets compared to the lure of the moppet.

"Max was Mr. Semireliable," states Brandt Dunlap, a 34-year-old

furniture designer from Brooklyn, in reference to his beloved French bulldog. "I'd walk him three times a day, and at the end of the week, I'd typically have a few new girls' phone numbers. I called lots of these chicks, and sometimes it worked out; other times, it didn't. That was before my son, Adam, came along.

"Now I walk Max *and* the kid, and I close the deal with three new girls a week. Fatherhood may be its own reward, but the attendant snatch it's brought is one sweet surprise."

Unaware of Dunlap's boasts of newfound sexual prolificity is his wife, Terri Ann, an actress in her late 20s. She loves the attention Brandt lavishes on their son for other reasons.

"I've almost entirely lost interest in guys who let their testes languish. Show me you're a man—make some babies, and treat them right—and I'll do anything for you."

me," Terri Ann says, "and that was after a pregnancy that made my every moment a nightmare of sickness and pain. I adore our little boy, Adam, but he took an extreme toll on me physically."

"I was disgusted with myself after delivery," Terri Ann sighs. "And exhausted—sleep was a far-off memory. But Brandt has been a real blessing. He spends so much time with Adam, it gives me a rest." Terri Ann smiles lovingly at her husband.

Brandt puts Max on a leash, readies Adam's stroller and pockets fresh condoms. The wee one needs a bit of air.

"Oftentimes, women associate erotic experiences with birth and child-rearing: feelings of arousal while nursing, et cetera," comments Dr. Daniel Georgiades, an East Coast psychotherapist. "I discovered the masculine equivalent when a patient of mine fathered twins."

Georgiades's patient, William, landed so much tail postpartum that, in time, the doctor feared him teetering toward male nymphomania.

"Prior to the pregnancy, William was reserved, shy, something of a mouse," says Georgiades. "His wife wore the pants in their household. But something changed in him after she conceived. He grew proud, vital. Once he learned his sperm had done double duty, it was like talking to Tarzan. Women noticed him for the first time in his life. Somehow, he knew how to handle it."

Big Bill's paternity-fueled machismo exploded upon the healthy arrival of his son and daughter.

"He was all over the nurses in the hospital," Georgiades remembers. "They ate it up. I've never been jealous of a patient, but William's reinvention from mouse to macho was largely responsible for my own kids."

Bill's story shows no sign of ending.

"I met William at the day-care center where I work," says 27-year-old teacher Melissa S. "He was all darling daddiness, and yet had a certain stud appeal. You had to see him handle his kids. He was so devoted, so patient. I'd get wet watching him wipe the twins' noses."

"One Friday he came to pick them up. I requested to confer with him briefly." Melissa wipes her eyes and adjusts the crotch of her pantyhose. "He asked Mrs. Wrigley, who has a little boy at the center, if she'd look after the twins on the playground until he came out."

"William knew. He locked the classroom door and pushed me on my desk. What hands! He changed diapers with

those same fingers that undid my blouse."

Melissa composes herself and continues. "After he shot his stuff up inside me, he said, 'My children need me. Gotta go.' I came again on the spot. When I escorted William to the playground, Mrs. Wrigley sauntered by me and murmured, 'Welcome to the club.' I was stunned."

"Since then," Melissa sums up, "I've almost entirely lost interest in guys who let their testes languish. Show me you're a man—make some babies, and treat them right—and I'll do anything for you."

"Most people assume little Darnell is not my son," points out 26-year-old Caucasian Kevin Bisch. "I mean, he's black. But that's great. I tell people—meaning women—that my wife had a hysterectomy when she was young. And what else, Darnell?"

The rambunctious Darnell springs to life and chirps, "I'm 'dopted!" The would-be father and son high-five each other, and Kevin scans the sidewalk for skirts.

In truth, Darnell is the toddler offspring of Bisch's downstairs neighbors. After originally baby-sitting in an emergency, Bisch now spends nearly all his free time with the tot.

"At first I told the truth, and women just smirked and said, 'Oh, cute.' It wasn't

until I blurted out the adoption angle that my fortunes changed.

"Me and Darnell are a triple-threat appeal to female nuttiness," Bisch reasons. "They feel bad for Darnell supposedly being a crack orphan, they feel bad for me because of the crippled cunt at home, and they feel warm in exactly the right spots over how noble I am."

Indie-rock diva Liz Phair backs up Bisch's conclusions. "If there really was no [other] woman," Phair told *Details*, "the single daddy wouldn't be so attractive. Women would think—*What's wrong with him? Why did she leave? And why do I have to raise her kid?*"

Bisch escorts Darnell to a multiplex showing the Disney comedy *Flubber*. As they wait in line at the refreshment stand, a screening of the weepy romantic smash *Titanic* lets out. Bisch is instantly inundated with lovesick honeys. He lifts Darnell up, sits the tyke on his shoulders and imparts this advice to the quim-lorn: "Get yourself one of these by any means necessary. Well, keep it legal."

A pair of blondes play peekaboo with Darnell as Bisch orders him a kiddie snack. They then enter the theater as a foursome.

Bisch turns and grins: "The closest thing to heaven is a child." 🍌

TALES OF SEXUAL CARNAGE FROM THE
NOVEL **PARADOXIA** BY LYDIA LUNCH

PHOTOGRAPHY BY RICHARD KERN

Fueled by dope and insatiable sexuality, Lydia Lunch prowls New York's scummy streets and a rat-trap hotel in search of a dose of erotic atrocity. Culled from her fuck-drenched memoir, Lunch's real-life tales reduce seedy rockers, stoned-out pushers and hungry whores to human prey.

Diary

I hated the way she bounced in the room eager to take us all upstairs to oogle the fresh scars and purple bruises from her implants, a gift from Daddy. I couldn't wait to smash her in the fucking face.

A confirmed confrontationalist and multimedia provocateur, Lydia Lunch has assaulted the mainstream with music, spoken-word poetry and film, collaborating with the likes of seminal beefcake Henry Rollins, novelist Hubert Selby Jr. and filmmaker Richard Kern.

In the following excerpt from her new memoir, *Paradoxia: A Predator's Diary*, a sexual travelogue of New York's grimy underbelly of the late 1970s and Los Angeles's crazed punk scene of the early '80s, Lunch exhibits a sexual ferocity that verifies her predatory nature.

I hit the park again, trying to move the last of the shit. I had ten black beauties left and three weeks to go before I could head back up to the doctor in the Bronx. Waiting for something to give. A sleazy regular, Sal, offered to scoop the lot. Invited me back to a small cafe he ran next door to the Chelsea Hotel. The menu consisted of falafels, hummus and Turkish coffee. It was little more than a glorified take-out stand with a few tables and chairs stuffed against the wall. Used as a front for something, the ridiculous rent would never be met by nickel and diming it over sandwiches.

I couldn't fucking stand Sal, his awful hair, black and greasy slicked back to

cover a bald spot. He always stunk of booze and sex, filthy hands nervously checking front and back pockets, smoothing his oily mane back, grabbing his own ass, running a dirty index finger over chapped lips. I tolerated him, intrigued by his cohorts from Long Island. Disturbed avant-jazz musicians who'd occasionally play the city, singing songs of basement torture and mutilation set over a backdrop of spastic din. The Night Stalker meets Albert Ayler. Strange brew. I dug it. Sal's the one who set me up with "Ill Will." My short-lived affair with the benign cannibal. When I asked Sal for Will's address at Riker's, he said don't bother. He's in for life plus 30 years. End of subject.

Stalling over a second muddy coffee, when in walk the Long Island Four. A relief from the useless drivel, rude comments and unwanted advances that were Sal's trademark. The pig just couldn't keep his hands to himself or his trap shut. Just to be a prick, he'd do shit like douse you in the face with beer, just to get a reaction, if he felt you were ignoring him. Which I did to the best of my abilities. Using him to unload pills, for free coffee or his unique acquaintances.

I had a crush on the lanky one, the singer, who'd stand behind the drums,

towering over, re-telling gruesome tales of kidnapping and forced sodomy. He possessed a strange charm, a slippery smile which would light up the dull pauses between lengthy silences. Sal and the Long Island Four went back fourteen or more years, since their junior high school days. They had little left to chew over except the seedy details of things done and nearly forgotten, whose twisted memories would be shared and refuelled in sample phrases only they could decode. Like "Backseat Booby-trap," "Gin-Soaked Gang Bang," "Trial by Tittie-Torture"; references to their shared escapades of male bonding, female degradation. Cruel bastards for whom I had a soft spot.

They'd just blown in from the Island, taking a room upstairs at the Chelsea. Gina was coming in too, to show off her new tits. She was the only woman they ever mentioned by name. An irritable cunt with a shitty attitude. I detested her immediately, partly because she shared in the Long Island Four's sadistic history of sexual abuse, which until now I'd only got secondhand. Something about her just crawled up my ass. Her phony smile, condescending attitude, petty jealousy, dyed hair, fake nails and JAP upbringing did little to endear her to me—I hated the way she bounced in the room eager to take us all upstairs to oogle the fresh scars and purple bruises from her implants, a gift from Daddy. I couldn't wait to smash her in the fucking face.

The Long Island Four had lucked out, securing one of the larger rooms in the Chelsea, which was by now, if it hadn't always been, a flea-bitten rat trap whose glorious history of bohemian rhapsody had long since ceased to resonate. The room overlooked 23rd Street, the noise of its traffic filling in the blank silence and greedy anticipation, as speed was chopped out. I didn't do speed, I was edgy enough. I poured myself a glass of Jack Daniel's. Smoked some hash that was doing the rounds. Waiting for the show to begin.

Gina was already hopped up on caffeine and diet pills; so she contented herself with a single line. Greedy bitch. I still wanted to smack her. The Long Island Four settled into their usual ritual: snort a line or two, smoke some hash, pour a drink and speak in code. Over and over again. Sal, acting as lead instigator, clapped his hands three times, saying, "Ladies and gentlemen...quiet, please...break out those fucking tits...." Shooting back a slug of Jack and slamming the glass down, he demanded Gina take off her top. A striped number which she

"The bitch gives great fuckin' trunk!"

slowly unbuttoned, basking in the attention. All eyes on her tits. Still swollen, black and blue around the edges, magenta scars, they were beautiful. A perfect 36C.

A debate ensued between Sal and two members of the Four. Votes taken on preference of real vs fakes. Sal, outnumbered, sided with the silicone. Warren, the one I had my eye on for the past few weeks, insisted on an up-close comparison, suggesting I lend my tits to the conversation. Since I've always considered them one of my finer assets, I had no inhibitions about tweaking them once or twice, coyly exposing first the left, then the right, and finally releasing them from the prison of my clothes. Warren let out a small grunt, walking over and cupping first my tits, then Gina's, hers still sore from surgery.

The self-proclaimed expert gently fondled the fleshy mounds checking for ripeness, fullness, contour and sensitivity. Applying tongue and teeth to nipples, he gauged the response. Satisfied with the results, he declared my tits the winner, complaining that Gina's reminded him of a Granny Smith that had failed to blossom. They were stuck forever stitched in place, two hardballs miles from homeplate that might indeed help Gina to score, but had failed to win her the game.

In a snit, she screamed, "Fuck off you fucking speed freak!!!" and disappeared into the bathroom.

Warren and Sal celebrated her humiliation with two more lines, another stick of hash and more Jack Daniel's. The other three of the Long Island Four begged off, heading up to Show World to catch one of their girlfriends headlining a live sex show. Sal insisted they stay, he'd get Gina to put on a show as soon as she was finished in the bathroom. They shrugged it off as old news and split.

Warren invited me over to the fuzzy chair his 6-8 frame dominated, insisting I sit on his lap. He was in desperate need of flesh to bounce his speed jitters off of. He grabbed me by both tits, holding on to me like a small pony as he bounced me up and down. Stirring the fiery liquid which was slowly intoxicating me. I was only one more drink from drunk. I asked him to slow it down, let me do the bouncing. I began a slow grind against him, forcing my ass into his crotch, bearing down as I felt him stiffen. Big dick. Small hole. I was getting gooey. He slipped his hands between my legs. Felt the moisture. The heat. Responded by flexing his prick. Sniffing his finger. Sticking it in his mouth. Demanded to taste my pussy. I slip my pants off, straddle the chair. Tease

his tongue with pussy. Bury his face in it, pull away. Slam it against him. Pull it away. He catches me between his teeth. Chews on my peach fuzz, the sweet flesh beneath it. Jabs at me with his fleshy tip. I shiver.

Sal, supine on the bed, all the while hissing out directions: "Spread those cheeks, show me some asshole, rim that cunt, suck it...suck it..." until Warren tells him to shut the fuck up. His running commentary a blight on our high. Gina saunters out of the bathroom in her panties and heels. She must have dropped a few more diet pills, you could almost feel her scars crawl. Sal instructs her to come no closer, to turn around, face the wall and bend over, to expose some pink. She smiles demurely mumbling a "Yes, Daddy" and does what's expected. Sal and Gina have been screwing each other for years. Hate-fucking.

Sal gets the brilliant idea of dragging me into it. Instructing me to remove my cunt from Warren's face and pick up the coke bottle from the dresser. A filthy leftover from the last tenants. Crusted with dust and dried sugar water. Motions me over to Gina, still obediently bent over, waves me in her direction. Tells me to stick the coke bottle inside her. Stick it in her pussy. Fuck her. Fuck that cunt. I spit on the rim, dribbling a little inside. Gina starts begging, "No, Sal, please, not this again...."

"Shut your fucking mouth, you scum-sucker; open your pussy. Open it, you fucking cunt!"

Gina starts to whine. And wiggle her fucking ass. The bitch thrives on humiliation. She parts her hairy slit, revealing deep purples, browns, gray, pink. Warren cocks his head to improve his view. He's taken his dick out, half erect and moist, resting against his belly. Sal's rubbing his prick against the pillow, slowly humping, raised up on one elbow. "FUCK HER, YOU FUCK!!!" he bellows, never tiring of playing dictator. I slip the tip of the bottle inside her sloppy hole, moistened by the shouts, the instructions. It swims inside her slick. I pump the bottle slowly inside her, up to the round swell past the neck.

The bitch moans, wagging her ass. She actually wants more. I jerk it in, steady pump of glass in cunt. Sal becomes delirious. Shaking his prick, flailing it in circles, squeezing the purple head in both fists, he shouts, "Do you fucking know how to fuck???" Leaping off the bed, he grabs the bottle from my hands with a loud plop, as her struggling cunt begs for

more fuck. I remember my mother confiding to my aunt about her job in a Coca-Cola bottling factory in the late fifties. How they'd supposedly find mice embalmed in bottles, or roaches. She said it was her job to inspect the line to make sure no vermin were visible. How one woman had to be rushed to the doctor, after getting a bottle stuck inside her. That's why coke bottles now have concave bottoms, so they wouldn't get stuck inside. I was only five when I heard this, but I never forgot it.

Sal was pump-fucking her with the glass cock. Pulling her hair with one hand, pumping with the other, shouting out a string of brutal obscenities. Violent curses. Threatening to jam the bottle up her cunt until she was spitting shards of broken glass. Slapping his cock against her. He spun her around, bottle dangling between her legs, told me to get behind her, keep that cunt full, while she sucked him off.

Gina was shaking, choking on his cock. He had her by both ears, fucking ruthlessly into her face. Suffocating her with his horrible prick. Warren was still blissfully silent, stroking himself off, ready to unload. Group frenzy. Gina sobbing, slobbering, gagging; Sal, bucking quicker still, ready to explode. Me, pumping, slapping her now, punching at her

with the bottle. A hideous collective orgasm swept the room. Grunting, groaning, crying, screaming, an audio-nightmare of ungodly proportion. I felt filthied by the hot come which seemed to bathe the room in a ghostly film. Thirty seconds of silence.

Sal plopped his cock free. I pulled the buried treasure out. Warren scooped a load of sickly white onto the arm of the chair. Sal walked to the window overlooking 23rd Street, grabbed a cigarette and shook his dick at a passing school bus. Gina ran to the bathroom, slamming the door. I took another drink. Lit a roach.

Fifteen minutes pass. We sit there spent, collecting ourselves. Gina re-emerges from the bathroom, showered, wrapped in a towel. Smiling. Sal asks her what the fuck is she oogling. Why is she so fucking happy. What the fuck is wrong with her, why hasn't she left yet. She stammers a "But...Sal..." He tells her to disappear, he can't stand her fucking glee. To get gone. Get out. Get the fuck out. He rushes over, shoving her on her ass, kicking her once for good luck.... "What the hell do you want now...you got off, now go!" He rips the towel away from her, snapping it against her thighs. Pulls her up by the hair. Rushes her over to the door, opens it and shoves her out.

Gina pounds on the door, begging to be let back in. Pleading for her clothes, her purse, the ring she left in the bathroom. Sal ignores her, staring out the window picking his ass. Warren, used to years of their bullshit, announces he's taking a bath...would anyone care to join him? The pounding continues, Sal grabs the coke bottle off the floor smashing it into the door. Glass splatters everywhere. Her footsteps trail down the hall. Sal says he's taking a nap. See ya later. I collect my shit to leave. A timid knock on the door. Hotel management, asking for the lady's clothes back. Sal demands, "What lady?"

Another timid knock. "Sir, please...."

Sal grabs her clothes and purse, wings them out into the hall, slamming the door. Gina whines about the ring she left in the bathroom. Sal yells for her to fuck off. He'll see her this weekend. She can pick it up then. She kicks the door and storms down the hallway.

Her footsteps fade. The three of us have a drink, Warren pink from soaking, Sal greasier than ever. I decide to split, swearing I'll never see Sal again. Warren walks me to the door, whispering, "I'm gonna fuck you. A good fuck. Next time I see you. Just the two of us. Soon, okay?" He kisses the top of my head. Opens the door, steps aside for me to pass. Bows at the waist. "Bye, beautiful...." He blows me a kiss, slipping behind the door as he eases it shut.

I met up with him a few nights later at Club 82. A stinking basement dive. I dragged him into the ladies' toilet, last stall. We blew a joint and finished our beers. He stood me up on the toilet seat, had me face the wall. Began a glorious finger fuck, penetrating my asshole with long lean fingers, moistened with spittle. Whispered he wanted to smear my shit all over the bathroom walls. Would take my ass until it was so juicy and loose that my bowels would explode, perfuming the room. Wasted, high, horny, he eased another finger in. Then another. Urging me to come, to shit, to erupt. I came screaming, a small trickle of liquid gold expelled from my asshole. He wiped his hands on the stall door, drawing a Star of David in chocolate. Licked the last of it from his middle finger. Just as the club's manager walked in, alarmed by our muffled screams. Kicked us out, banning us from returning. Haven't seen him since.

A black woman entered a sex shop and was captivated by a huge display of dildos.

"How much for the white model?" she asked Joe, the young clerk.

"It's a steal at \$20," Joe proclaimed.

"I've never tried a white one," the black woman said. "What the hell."

"Excuse me," a white lady inquired moments later, "could you tell me the price of the African American marital aid?"

"Only \$25," the industrious salesman said.

"I've never gone black," the shy woman revealed. "But I'll try anything once."

Next, a leggy blonde approached the counter.

"How much for the plaid one?" she chirped.

"One hundred and fifty dollars," Joe answered.

"I've never done plaid!" the blonde exclaimed. "I'll take it."

The sex-shop owner returned near closing time.

"How was business today, Joe?" he asked.

"Great. I sold a white dildo for \$20, a black one for \$25 and your thermos for \$150!"

Al the Polack came home from work early and discovered his wife, Mable, fucking his best friend, Jerry.

"What the hell are you doing?" Al demanded.

"See," Mabel said to Jerry, "I told you he was stupid."

The HUSTLER dictionary defines *cherry float* as: a virgin on a waterbed.

Hillbilly honeymooners Jethro and Mary Ellen entered a rustic hotel in the Ozarks.

Jethro plunked a sock full of nickles down on the reception desk.

"Got a room for two newlyweds?" Jethro asked.

"How about the bridal?" the desk clerk offered.

"Naw," Jethro said, "I'll just hold her by the ears till she gets used to it."

Determined to marry a virgin, Tad began each date with a routine anatomy quiz.

Tad would expose himself and ask, "Do you know what this is?"

The baffled girls invariably replied, "A dick," and Tad would drive them home.

Countless women failed the test, until Tad met a shy librarian named Sue.

He immediately brandished his prick.

"What's this?" Tad queried.

Sue shrugged. "I have no idea."

Ecstatic, Tad proposed. On their honeymoon, he placed his new bride's hand on his penis.

"This, my dear, is a dick," he whispered.

Sue shook her head. "Oh, honey, no. A dick is much bigger, and it's black."

Question: How many real men does it take to open a can of beer?

Answer: The bitch better have it open when she brings it to me.

A puzzled caseworker reviewed LaWanda's welfare application.

"Next to 'Number of children,' you put down '13,'" the worker said. "Under 'Names,' you've simply written 'Leroy.' We need the names of all 13 children."

"They all name Leroy," LaWanda said.

"But how do you call the one you want?" the worker inquired.

"I calls them by their last names," she replied.

Question: How do you know when you've entered a gay church?

Answer: Only half the congregation is kneeling.

Poor young Mary went to the doctor to complain of abdominal pain.

"Well," the physician announced, reviewing her test results, "I hope you like changing diapers."

"Oh, I'm going to have a baby!" squealed Mary with delight.

"No," the medic answered. "You have bowel cancer."

AMERICA'S BIGGEST **PORN** CONVENTION

Tyler Sweet, Timber and Morgan Fairlane mug for mooks.

REPORT BY MACK ASSARIAN
PHOTOGRAPHY BY EVAN WRIGHT

Every year, the entire fuck-film industry and legions of its perverted fans gather in Las Vegas for a weekend of sleazy transactions and even sleazier fun at the Consumer Electronics Show. In porn, as in most business ventures, marketing is the key to realizing financial dreams; for the hordes of slutty starlets at the CES, show business means promoting their pussies.

Timber displays her wares.

Phillisha and Phoenix Black perform lesbian tricks.

Phoenix pulls aside her hotpants and exposes her rippling cunt mound. Across from her, 30 men strain their necks to watch as she caresses her labes with the leather tip on the end of her riding crop.

"I'm entering porn because I want to make enough money to see the world before I die."

—Porn starlet Phillisha, on her hopes and dreams in the sleaze trade.

The greatest pornographers' convention in the United States of America is held each year in Las Vegas, Nevada, as part of the mainstream Consumer Electronics Show (CES). Like Muslims making the annual Hajj, or holy pilgrimage, to Mecca, thousands of dirty-video makers, online smut sellers and bra-popping fuck bunnies stream into Las Vegas's glitzy temples of easy money for this year's CES from January 8 through 11.

One of the most heavily promoted attractions of the mainstream CES this year is a keynote address from Republican ex-Presidential candidate and all-around rich guy Steve Forbes. Few of the adult exhibitors attend Forbes's windy exhortations on achieving salvation and financial success through hard work and ingenuity.

Instead, the flocks of ambitious sleaze entrepreneurs are already on the convention floor, plying their trade in hopes of making Forbes's lofty sentiments a hard-core reality.

Porn purveyors oblige the prurient

interests of their fans by stocking display booths with a plentiful supply of cunts to sign glossy photos and pose for pictures.

Worried by the potential acts of shocking depravity that might confront the regular folks passing through the porn-exhibition area, event organizers post warnings on the adjacent restrooms: ENTER AT YOUR OWN RISK: THESE RESTROOMS SERVE THE ADULT SECTION.

Overworked security guards patrol the hall, attempting to squelch acts of public lewdness and force the porn stars into a level of decorum no more slutty than that of a posing car-show model. But the sexual exuberance of the porn squack proves unquenchable.

Sluts lure hordes of camera-toting, flash-popping fans to their booths and gratify them with courageous displays of public sexuality.

"You sick, perverted fucks," Phillisha, a dirty-blond dancer turned porn chick, mutters to a crowd of mooks who have assembled at the Legend Video booth to ogle her as she jerks her nipples out from her top and twiddles the meaty points with her thumbs.

"Want to see them go crazy?" Phillisha asks with a sly smile. She turns to her cohort, Phoenix Black, a wispy, 95-pound

fuck toy wearing flame-red boots and a matching hotpants outfit, and climbs onto her lap. Phoenix and Phillisha lock tongues and fondle each other's breasts. The crowd surges to the edge of the counter.

Phillisha grows bored of toying with her playmate and the crowd of cheering males. She climbs off of Phoenix and puts her nipples away. With her tit spigots covered, Phillisha grows invisible to the mob. All attention focuses on Phoenix, who continues the show by masturbating with a riding crop.

Phillisha drops to the floor and rubs her red, swollen toes. "My feet are killing me," grouses the weary sex object. "All I want is to go back to my room and soak my feet."

One yard away, Phoenix pulls aside her hotpants and exposes her rippling cunt mound. Across from her, 30 men strain their necks to watch as she caresses her labes with the leather tip on the end of her riding crop.

"Bad girl," chants a mesmerized electronics-industry executive leaning down to gaze at her slice.

"You want to play with me?" Phoenix flirtatiously reaches out with the crop and strokes the man's zipper. He stands like a zombie; the only signs of life are the beads of sweat forming on his bald pate.

Phoenix retracts the crop and slides the tip several inches into her vagina. The leather reemerges, glistening with inner-porn-star juices. Phoenix waves the fragrant leather crop beneath the executive's nose. As if guided by an unseen force, the man's lips move. He kisses the crop tip.

"You look like a fag," observes a bystander.

"This doesn't mean I'm gay," the crop kisser protests, snapping out of his trance.

"Yes it does!" Phillisha taunts him from her vantage behind Phoenix.

"You probably wished that was a big, black cock you were kissing," jeers one of the onlookers.

Phoenix giggles; her once-adoring fan shrinks away, the embarrassment of public humiliation making his head glow like a warehouse lightbulb.

Behind the screen of freebie sex shows taking place at the front of nearly every exhibitor's booth, rotund, middle-aged men hunch over tables at the back of the booths, smoking cigarettes and inking deals. Videotape buyers and distributors come from around the world, hunting for bargain "show specials" on unsold product

TREY & TERESA

PHOTOGRAPHY BY CLIVE McLEAN

Spiritual pilgrim Teresa buys an Arizona ranch situated near ancient whirlpools. She moves in her crystals and candles and takes possession of her home space by having her sacred vortex filled by Trey, the hired landscaper.

"Spread my ass while you fuck me," demands Teresa. Trey's veiny meat disappears into her slick, pink twat.

"You're so tight, Teresa," grunts Trey. "I feel like my dick is a grenade."

"If you're going to blow, blow on my mouth."

Trey follows his boss's orders and sprays her face with cum.

Her handyman heads back to work. Teresa lies in the sticky aftermath, meditating on the transcendent properties of tequila and a good, hard boning.

"We shot a great little whore in my hotel room last night," Max enthuses. "A little girl from Florida. Ninety-eight pounds of pure fuck meat. She sucked my asshole like no one has before."

(continued from page 84)

left over from the end of the year.

It is rumored that in the old days, when skin-film manufacturing was an illegal activity that fell on the wrong side of most U.S. cities' pimping, pandering, prostitution and obscenity laws, the porn kingpins of yore settled accounts at the CES by exchanging shopping bags stuffed full of untaxed, ill-gotten gains.

The business practices of today's raunch industry are evidenced by the many high-tech service providers clamoring to shill their skills. Alongside the booths fronted by cunt-teasing porn sluts, point-of-sale computer companies and telecommunications firms display products to maximize profits and efficiency for the adult manufacturers.

Nancy Vee, the gray-eyed goddess of sleaze who achieved porn-video infamy by fucking herself in the butt with the handle of a toilet plunger (*HUSTLER*, May 1998 *Erotic Entertainment*), signs for fans at the Astral Ocean booth. Much of Vee's time is spent diving between the legs of a chesty, blond colleague and thrilling onlookers with a lesbian act.

Away from the booth, Vee shelves her perverted slut persona and slips into the role of small-business owner. Her dreams are no different than any other fledgling

entrepreneur, even though her business is her ass. "There are a lot of numbers involved and decisions to make," Vee frets. "I have appointments with a half dozen telecommunications firms here at the show. I'm setting up my own phone line and Web site. I'm investing \$10,000 of my own money."

In the back of the Sin City booth, Vee dresses for a business appointment, primly buttoning her blazer and straightening her wool skirt. She can almost pass as a junior executive. If she keeps her legs crossed during her meeting, perhaps no one will notice the neatly trimmed bush on her pantyless clam.

Since being attacked and throttled by an irate husband at the East Coast Video Show a few months ago, Max Hardcore is now accompanied at all times by a compact yet beefy young man in a gray business suit—his bodyguard.

"You're looking at the new Max," Hardcore declares, modeling his new uniform of sky-blue, Western-cut jeans and bright-red, Dale Evans-style cowboy shirt, complete with white-fringe sleeves. "I'm not so much of a bum anymore. I'm now a high-styling playboy, a gentleman cowboy."

Max's changeover includes, in addition

to the bodyguard, a five-man entourage who wear red, racing-team-pit-crew uniforms emblazoned with MAX WORLD logos. They follow Max in a flying-V formation and communicate with one another via shoulder-mounted police walkie-talkies.

"We've all got handles," Hardcore explains. "I'm Top Dog." He points to the bodyguard. "He's Viper. If the batteries go out on the radios," Hardcore boasts, "my boys have all been trained to use hand signals."

Max demonstrates by raising his hand and wiggling his fingers.

A crew member stares at him, not comprehending.

Hardcore cups his hand over his mouth and shouts, "Bring me the goddamn notebook!"

"We shot a great little whore in my hotel room last night," Max enthuses while waiting for delivery of the notebook. "A little girl from Florida. Ninety-eight pounds of pure fuck meat. She sucked my asshole like no one has before. But the best part was the pens."

Hardcore's crew member rushes forward with a spiral notebook. The pages are dog-eared and smudged with a substance, most likely smears from anal-lube-covered fingers. Hardcore flips the notebook to a page of scrawled block letters that spell: I AM A LITTLE FUCK HOLE.

"She stuck a whole box of pens up her cunt, like a bad little schoolgirl goofing off on her homework. After I fucked her pussy with the pens still in it, I stuck one up her ass and made her write the note," Hardcore chuckles fondly at the reminiscence.

"This gal is just starting off in the business. She doesn't know what the fuck she's doing, and she's just having a good time. That's my kind of slut."

Jutting his chin out like General Patton, Hardcore marches across the exhibit floor, flanked by his bodyguard and followed by his disciplined, flying-V entourage.

Smoke fills a corner of the hotel carport. Outside, in the frigid winter air of the desert, a half dozen not-so-well-known porn studs stand behind a pillar, heating their lungs with smoke from a massive spliff. They puff away, staring at a red Ferrari parked nearby.

"Shit," grouses a \$50-per-scene woodsman, "look at that Ferrari. \$180,000 for a ride like that."

"That's Patrick Collins's car," his buddy says, referring to the owner of adult-

After dispensing helpful tips about using butt plugs to train virgin sphincters into accepting a loved one's penis, Chloe finishes with a moving personal description of experiencing orgasm by anal sodomy.

manufacturer Elegant Angel. "I ought to start directing some of my own videos."

"You guys want to know the secret to coming with more jizz than Peter North?" A cadaverously gaunt man approaches, holding his fingers out for a hit on the joint.

The porn dudes turn deferentially to the new arrival. He is reputed to be an Internet sex-services millionaire who just signed a mainstream deal with a computer-software giant for many millions more. Everyone listens because it's always hoped that people with money will say something unheard of that will unlock the secret to getting rich.

"There's a secret to coming more than you've ever dreamed of," the millionaire states, pausing to suck in a hit. "That secret is to train your body so you piss and come at the same time."

His wisdom is greeted with a strained, polite silence.

"That sounds kind of painful," someone finally speaks up.

"No, man," the millionaire says with a cryptic grin, "it's like shooting heroin." He walks off.

"Rich people," one of the toolmen says, shaking his head. "They're different."

The dream of mainstream acceptability, even stardom, flourishes within the hearts

of many hard-humping fuck dolls. On Friday night, Chloe, a Bambi-eyed starlet of multiple anal-gang-bang videos, arrives at the studios of The Edge, Las Vegas's alternative-rock station, located in a windblown industrial park. She is promoting a techno-dance single, "Harder," by the band Saboteur, on which she performs the lead moaning while chanting, "Fuck me harder, harder."

Chloe's catlike body, half-nymph, half-hellion, is scantily covered in a gauzy, black top and a skirt short enough to reveal the black garters supporting lace stockings. She enters the studio and begins her one-hour interview with the show's riot-grrrl deejay, a simmering blonde approximately Chloe's age.

"I'm happy to create something," Chloe gushes about her single, "so that after I'm done, and my ashes are scattered over the desert, people can say, 'Oh, yeah. I remember Chloe. Wasn't she great?'"

Part of Chloe's greatness this night consists of her brave attempt to sell the station's young female listeners on the joys of practicing anal sex with their boyfriends.

"What's the easiest way to get yourself through that first time of anal sex?" the deejay asks.

"Be with someone you trust," Chloe

proselytizes, making butt sex sound like an act of positive affirmation. "You're not doing it for him. You're doing it for you!"

After dispensing helpful tips about using butt plugs to train virgin sphincters into accepting a loved one's penis, Chloe finishes with a moving personal description of experiencing orgasm by anal sodomy. "It builds until I break into a sweat that starts in my butt cheeks and curls around my thighs. I get very quiet when I actually come. Sometimes I say, 'Jesus Christ,' which I guess is a result of my strict Catholic upbringing."

The grandest organized event to take place over the weekend of the CES is Saturday night's *Adult Video News* (AVN) awards dinner at the Caesars Palace ballroom. Dozens of goldlike statuettes, fabricated with the quality and craftsmanship of fine bowling trophies, are handed out to top-scoring adult-video honorees, from performers and directors to box-cover designers. Awards are voted on by a panel of AVN editors, whose salaries depend on paid advertisements from the award nominees and winners. The most gullible participants speak of this event as the "Academy Awards of porn." More accurately, the awards are AVN's way of showing thanks to its advertisers.

If paying \$175 per ticket for a dinner of warm sushi and cold ravioli accompanied by a four-hour show of overly amplified, amateur rock music qualifies a person as a sucker, then there are nearly 2,500 suckers in attendance. Throughout the ordeal, those not drunk enough to withstand the music, the gushing speeches of the winners and the regurgitated borscht-belt jokes from the comedian escape to the lobby.

Nearby, Chloe stands next to her mother, an attractive, middle-aged woman who exudes quiet, suburban politeness. Chloe's mom nods with muted pride as her daughter lists her impressive award nominations to a reporter from a dirty magazine.

"I'm up for Best Anal Scene, Best Group Sex Scene and Starlet of the Year!" Chloe shouts with unsuppressed excitement.

Chloe's mother gently strokes her daughter's back, like a proud parent at a high-school-graduation ceremony. "Chloe is so sweet," Mom chimes in, "sometimes she'll call home and say, 'Mom, you don't want to see the Playboy channel this week.' Her stepfather and I—we've been together for 17 years—don't want to see

"I knew selling our company to Larry Flynt was a bad idea."

This modern lady lusts after "a threesome with my husband and another woman." Daring Danielle is bound to snag a willing participant with that worldwide web of hers.

Exotic dancer Princess of Burlingame, California, demonstrates one of her crowd-pleasing moves. "Fucking, sucking and getting off any way possible" are the laws that govern this 21-year-old's sordid kingdom. She writes: "There isn't much I haven't tried because I am a very sexually open person." When you are a Princess, all your dreams can come true.

Springfield, Missouri's Tonya buckles up for safety. A creature of the moment, Tonya dreams of having sex "on impulse with a woman I just met." As much as she desires to violate the natural order, Tonya also loves to spend time in the great outdoors, camping and enjoying "all kinds of wildlife." Cunnilingus around the campfire, perhaps?

Displaying a tattoo of her faithful mount is Ches, of Jackson, Mississippi. Rugged Ches enjoys rodeos and barrel racing. After a long day in the saddle, the nubile 24-year-old cowgirl fantasizes about soaking in a hot tub, where she is "bathed and stroked" by her husband before being fucked "doggy-style." In cowboy lingo, that's ridden hard and put away wet.

Photo by Friend

Looking every bit the blushing Southern bride is Alexis, from Nashville, Tennessee. Don't let this 22-year-old designer's delicate appearance fool you. Alexis is made of equal parts leather and lace. Her fantasy is to "have sex on a motorcycle riding through the desert." Maybe Alexis isn't ready to settle down quite yet.

Photo by Friend

Angela of Amsterdam, New York, is a housewife with a taste for the exotic. This sultry mother of one looks forward to a three-way with her husband and "another man." In the meantime, 23-year-old Angela keeps busy shopping, skating and teaching her son "new things." No doubt Angela is a more stimulating instructor than Barney.

Photo by Husband

Whoever said working out was boring didn't go for the burn with Cinnamon Rain. A dancer from Dudley, Massachusetts, 25-year-old Cinnamon Rain loves "animals, money and other girls," but is totally turned off by "unhealthy food, close-minded people and alarm clocks." This ambitious dancer hopes to make her cinematic debut between the legs of her female co-star. Dig in, Cinnamon. It's a long way from Dudley to Hollywood.

Photo by Friend

Heather, a "high-energy erotic entertainer" from Portland, Oregon, pre-empts a penetrating television program. A woman of letters, 24-year-old Heather enjoys painting, history, philosophy and being a "nasty little whore" for her husband. Heather longs to appear in a HUSTLER centerfold with her spouse and show the world "what two free-spirited people look like when they're fucking the life out of each other." Viewer discretion is advised.

Photo by Husband

Real-estate agent Samantha, from New York, New York, holds an open house for HUSTLER readers. Skiing, basketball and topless boating are a few of 23-year-old Samantha's enthusiasms. The Gotham career gal hopes to take her hot property overseas and "sunbathe topless in Europe." With tits like Samantha's on the Riviera, there may not be room for a view.

Photo by Friend

Glamazon Barbie of Edmond, Oklahoma, defends truth, justice and the American way as a private process server. This well-endowed 30-year-old is also a cheerleader, model and exhibitionist. Barbie's ideal sex date would consist of "making love on a beach in front of everyone." An in-depth private investigation of this fantasy is undoubtedly under way.

Photo by Friend

When Looking Glass sang "Brandy, you're a fine girl," they might have had a woman like this executive secretary from Dallas, Texas, in mind. Barren Beaver Brandy, who shares her name with that fabled lady of song, enjoys "dancing, watersports and making love in public places." Sounds intoxicating, Brandy.

Photo by Friend

Contemplating the sum total of her figure is Cali, an accountant from Sacramento, California. The 35-year-old financial analyst's love of nude beaches, dancing and computers reveals a personality poised between practicality and debauchery. Cali's fantasy is to have her husband watch her have sex "with a longhaired guy from the rock group Slaughter." When it comes to sexual attraction, there's no accounting for taste.

Photo by Husband

Atlanta, Georgia's Michele defends her God-given right to bear arms (and other appendages). This wacky, 32-year-old housewife enjoys "golf, college football and watching Oprah." A dedicated mother, Michele longs to leave the hustle and bustle of Atlanta behind and make love to a stranger in the mountains, "only to have my husband find me...and like what he sees!" Grizzly Adams never had it so good.

Photo by Husband

Karla of Taunton, Massachusetts, reflects on more than her career as a certified dental assistant. This 30-year-old nudist/photographer claims her fantasy of having sex with more than one man has become an "ongoing reality." After all, even dental professionals need to have their cavities filled.

Photo by Friend

Joanne of Cincinnati, Ohio, believes love isn't love unless it's shared. The 31-year-old administrative assistant would like to surprise her fiancé by bringing home a girl. Joanne's betrothed would witness his intended's first bi experience totally naked "before fucking us both for hours until we are all exhausted." What shall you march down the aisle to, Joanne? How about "Wedding Bells Are Breaking Up That Old Gang-Bang of Mine"?

Photo by Fiance

Jennifer, a 26-year-old resident of Omaha, Nebraska, leaves cornhusking to the rubes and lives instead by the maxim, "To suck, to satisfy, to swallow, to spasm." The construction flag-woman's wistful longing for a ménage à trois is gracefully captured in the line, "Oh, how wonderful, just the three of us." Cultivate your sensitivity and earn \$50, Jennifer. Submit those poetic musings to HUSTLER's "Grafffilthy."

Photo by Husband

Lacey, of Indianapolis, Indiana, is a registered nurse who yearns to administer the perfect remedy for a nagging hard-on. The 30-year-old angel of mercy hopes to improve her bedside manner by "giving a man such an incredible blowjob that he passes out from coming so hard." Bet you give great enemas too, Lacey.

her movies. But we are very proud of her cover on *Fetish*. My brother-in-law is over 80 and hasn't been able to express himself for years. When we showed him Chloe's picture on *Fetish*, he smiled and gave us the thumbs-up."

Porn paparazzi stalk through the lobby with flash cameras and ambush the sex sirens. The fully dressed recognition is a rarity in the professional lives of porn stars. They pose in front of the lenses with their clothes on and sometimes resemble international starlets at a Cannes Film Festival opening. A 19-year-old fuck-film ingenue, in a tasteful, velvet dress, her hair styled elegantly, almost achieves the glamorous look of a classic film star. The illusion is shattered when the young beauty opens her mouth to joke about swallowing cum, speaking in an honest hillbilly accent as crooked as her front teeth.

Like prom-queen losers, porn sluts who don't win awards by the end of the evening leave with angry tears staining their faces.

"What the fuck do I have to do to win," bitches Best New Starlet of the Year runner-up Mila, "stick a baseball bat up my ass?"

The following day exhibitors pack up

and close the show at the Sands Expo Center.

At a cut-rate room in the Sahara Hotel, two perverts from Florida carry out the fundamental business of dirty-movie manufacturing. Kevin and his partner, Dan, are preparing to videotape a slut being fucked in the room.

Kevin, tall and gangly, walks out to the terrace. The sky is uniformly gray. The sun hasn't set, but the neon lights on the Sahara's Arabian Nights domes are flickering on, providing a colorful backdrop. Kevin will be fucking the girl, and he blocks out the moves with his hands. "First, I'll mangle her against the wall. Then we'll drop into the chair for a little oral. She'll do me, and I'll do her. Then we'll come inside on the bed."

Dan, the cameraman, bears a striking resemblance to Ray Liotta. He follows Kevin's movements, holding an imaginary video camera in his hands. The real camera is on the floor having its batteries charged.

Satisfied with the rehearsal, the two partners drop onto a bed and wait for a girl to come through the door. They met her and her husband/manager on the floor of the CES and have agreed to pay her \$400 for a straight-sex scene.

"Our entry into porn-movie making is pretty much a Cinderella story,"

Kevin states. "A few months ago I was working at a video store. Being a porn-movie maker was just a dream."

"We both come from jobs that people consider the bottom of the barrel," Dan continues. "I was delivering pizzas."

"We came to CES, and right away we flew a pretty big deal with a fairly major video company to supply them with footage," Kevin marvels.

There is a knock on the door. Kevin opens it. A longhaired man with a craggy face—he looks like an extra in a low-budget slasher movie—extends his hand. Kevin shakes it.

The longhaired man's 24-year-old wife, 12 years his junior, steps around him. Her blond hair is parted in the middle and flipped back in wings, a style popular in suburban-Ohio shopping malls. Her eyebrows have been plucked into thin, black arches over hard-blue eyes. She wears jeans and a white blouse, unbuttoned to reveal a bustier top, with natural breasts overflowing from its D-size cups.

"I have C-section marks," the wife squawks in a flat, Midwestern tone. "But, like I said, they don't show up on film."

"Everything's perfect," Kevin reassures, cocking his head as he studies her legs, which look chunky around the thighs and ass.

She produces an AIDS test, and Dan hands her a model release to sign. "I'm using Tia or Tricia. I haven't decided yet," she informs him.

"Write both names on the release."

Kevin produces four 100-dollar bills.

"Hon, will you take the money?" Tia or Tricia asks.

Her husband folds the bills into a wallet attached to his belt loop with a chain. The links look like skulls. He drops onto the room's second bed.

Dan loads the batteries into the camera.

Kevin leads Tia or Tricia onto the balcony and mashes her against the wall, flopping her two fat breasts out and grinning as he juggles them in each hand.

Her husband watches with a poker face. Dan ducks in front of him with his camera rolling.

"She's real pretty," Kevin calls out for the husband's benefit.

Tia or Tricia drops into the chair on the balcony and sucks Kevin's dick.

"Watch your teeth, sweetheart," Kevin gently directs her.

"Who knows," Dan whispers to the husband while pausing to adjust his video cam, "maybe this time next year, your wife and Kevin will be up there at the AVN show accepting an award."

Now Possible!

PENIS ENLARGEMENT TO MAXIMUM POSSIBLE SIZE!

MEN REPORT NEW DIMENSIONS OF 9 INCHES...
10 INCHES... EVEN AS MUCH AS 12 FULL INCHES!

You'll see **VISIBLE RESULTS** the **VERY FIRST TIME** you use this system... See how **FAT**, how **LONG**, and how **HARD** and stiff your own penis can become!

THE WORLD'S FIRST "RESULTS-ORIENTED" SYSTEM: Tested and Proven to give you **MAXIMUM GAINS** in **MINIMUM TIME!**

"I couldn't believe it at first; how big it got in so little time. I had to blink my eyes... was that huge, throbbing pole in the tube REALLY my penis? Well... it was, and since that time I have used the **MAGNUM PRO** to make it **BIGGER** and **BIGGER** every time. Working out with the **MAGNUM PRO** is addictive..."

—Brad Pennergan, Milwaukee, WI

Extensive research brings you a system that takes the guesswork out of enlargement. We are the only system that incorporates: a state-of-the-art pump (2 models available), PLUS a patented "erection sentry," PLUS an instructional manual on maximum enlargement techniques and ALL THIS at a price that is literally 1/10 of what you would expect to pay.

VISIBLE GAINS IN SIZE:

GETTING THEM is only half of the battle; **KEEPING THEM** is why we're the best.

The male erection is caused by blood flowing into hollow caverns in the penis. The caverns fill with blood and the penis grows in size and thickness, becoming stiffer as well. Our system not only enables any man to increase the capacity of these caverns by allowing them to hold more blood, but our revolutionary **SENTRY Prolong Ring** allows you to keep that **FAT, BULGING, ROCK-HARD ERECTION** for as long as you want. When you've pumped yourself up to the size you like, slide the **SENTRY** onto the base of your penis and let it stay there, guarding, maintaining, keeping your **POWERFUL, THROBBING ERECTION** through intercourse and beyond. When you are satisfied, you simply release the **SENTRY** with one hand! It's that simple!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all that the **EXCELO** System with **SENTRY Prolong Ring** does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system (2 models to choose from) is a truly unbelievable bargain at the price offered.

THE BEST OF BOTH WORLDS:

ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE - THE EXCELO SYSTEM GIVES YOU BOTH!

Made in the U.S.A., these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

2 MODELS: ONE TO FIT ANY BUDGET, ANY REQUIREMENT

NOTE: All pump models include "MAXIMUM GAINS" How-to instructional manual.

PENIS ENLARGEMENT SYSTEM

DR. BROSS INSTITUTE FOR SEXUAL ENHANCEMENT Professional and Complete PENIS ENLARGEMENT SYSTEM

Professional Instruction and Professional Products to help you and guide you every step of the way to a longer, thicker, and harder penis now! Our customers tell us 9 inches... 10 inches... even a **BIG 12 INCHES** is possible!

My name is Dr. Bross and I have discovered the Complete Penis Enlargement System that can help you enlarge your penis. The penis vacuum pump is also becoming the #1 medical treatment for impotence, premature ejaculation, increase sex drive and sexual performance.

**THE WORLDS LARGEST SELLING PENIS ENLARGEMENT SYSTEM
USED SUCCESSFULLY FOR OVER 30 YEARS WITH OVER 15 MILLION
SATISFIED CUSTOMERS.**

WHY MY COMPLETE PENIS ENLARGEMENT SYSTEM WILL WORK FOR YOU WHERE OTHERS FAIL.

If you have tried other pumps in the past without success I am sorry that you have been disappointed. But if you are serious about penis enlargement, increasing your penis length, thickness and hardness I recommend 100% the penis enlargement systems shown here that you can buy direct from the manufacturer without a prescription and save hundreds of dollars.

WHAT YOU NEED TO HAVE A LONGER, THICKER AND HARDER PENIS.

1. The Best Penis Vacuum Pump. Squeeze bulb and short stroke centric or center push pumps create a minimum amount of vacuum. Used possibly for masturbation but not for the vacuum that is required to enlarge your penis. To be successful you need our Penis Pumps with the exclusive POWER VACUUM CONTROLLER that adjusts the right amount of vacuum for your Penis Enlargement.

2. Easy To Follow Professional Instructions. We do not ship to you a small piece of paper with instructions on how to use the pump and then leave you guessing on its proper use. Please do not be misled. Without professional instruction there just isn't any easy 1-2-3 method for penis enlargement. Instead I have produced a **Professional Instructional Video and Magazine** that shows you step by step everything you need to know to be successful. Only after you learn my penis enlargement methods by watching the video and magazine it will then seem as easy as 1-2-3. I have sold millions of my videos and magazines. Because of this volume my cost is only one dollar for the video and magazine and it is not for sale. My penis enlargement instructions without the best penis vacuum pump cannot help you. I include it **Free** with the purchase of any of my **Professional Penis Vacuum Pumps**. Now you have the combination you need for your successful penis enlargement, the best professional pump and professional instruction.

MOST MEN DO NOT REQUIRE A PROLONG OR ERECTION RING.

However, there are some men who would like to maintain an erection for a considerable length of time. You must not use a fixed size tight fitting plastic ring around your penis when you use a penis pump. You could restrict the blood flowing into your penis. Instead, I offer to you **Free** with any penis enlargement system a **Comfort Fit Erection Ring** that will adjust to fit any size penis.

HOW DOES THE ENLARGEMENT PROCESS WORK?

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both woman and men. He is responsible for the production of numerous educational sex videos.

The penis about 3 inches is inserted into the clear tube.

After instruction and pumping this man has enlarged his penis to about 10 inches.

After more pumping the penis is removed from the tube and the penis is about 11 inches.

Even when the pump is not used the penis "hangs" thicker and longer.

WHAT MY PENIS VACUUM SYSTEM CAN DO FOR YOU.

Increase penis length and thickness ■ Stimulate a harder and more powerful erection ■ Exclusive design helps maintain your erection for as long as you wish without an erection ring (use my Comfort Fit Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm

The "original" and the worlds largest selling penis vacuum pump. Extra long 10 inch piston assembly.

Exclusive design. One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer thicker and harder penis.

Professional Battery Powered Premium Penis Pump

The Original. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for penis enlargement.

Important Exclusive Features. The self-contained motorized unit can be removed to clean the clear tube. Other pumps have the motor, wires and batteries attached to the tube and with use and cleaning can rust and damage the motor and batteries.

\$42.95

One hand operation. Comfort fit grip to squeeze the lever so you can operate the power piston.

Hot Letters

(continued from page 43)

I was uncomfortable about the psychological ramifications of in-flight sodomy, but I really wanted to bust that rump. Carefully, I lifted Donna and bent her over the tiny sink.

mammarian landscape like the Rocky Mountains. Donna wore unattractive glasses to downplay her slutty good looks; I guess carrying around C-cup breasts all day attracts enough attention. The pale-flesh masterpieces certainly acted as twin magnets for my eyeballs.

Soon enough, Donna's goofy spectacles were torn from her face by Fidel. He smashed the prescription under his boot. Then the bearded sadist knocked Donna's nude form onto the broken glass! She pissed herself in terror as Fidel unshackled his belt and revealed a ten-inch, amber wang. I wanted to look away from the unspeakable cruelty; somehow, I could not. It's a shame I shall carry to my grave.

Fidel grunted and forced himself inside his prey. At the crucial moment, Donna's eyes popped open and locked with my own. Her expression was one of seething hatred. Was the disgust aimed at Fidel or me? I had little time to reach a conclusion. A rifle butt smacked me in the back of the head, and two of the terrorists pinned me to the ground. One of their cohorts—I never saw his face—entered me from behind for what seemed like an eternity. I'd rather not dwell on the details; suffice to say, I mercifully blacked out.

After a few days in the infirmary, I was allowed to fly home. The rest of the group had already left. Officially, the incident never occurred. My hospital stay was deleted from government records. No cover-up could ever erase my sore ass or temporary fecal incontinence. In fact, I was still on the plane when I farted for the first time and blew a bubble. Mortified, I shuffled down the aisle to a cramped stall.

I pushed past a VACANT sign on the door to discover the tight crapper confines were already occupied—by Donna! She jumped at my entrance like a startled deer caught tinkling.

"It's all right," I assured her, laying a friendly hand on Donna's trembling shoulder. "You and I were raped together. There's nothing we can't share." Comforted, she planted her big, juicy fanny back upon the metal toilet seat.

Donna wiped her well-trimmed snatch with a wad of paper and exhaled, "You liked it, didn't you?"

"Christ, no," I burst. "I'm no faggot! I mean, I've had to sit on an ice pack this whole flight!"

"I didn't mean that you enjoyed getting ass-fucked," leered Donna. The zaftig brunette reached for my zipper; I gasped when her fingers wrapped around my root and stroked the length. "You got turned on watching me fuck. The only way I endured the degradation was by imagining your

thick, uncircumcised cock battering my cunt." Save for the occasional slurp and groan, Donna fell silent as she swallowed my member. I threw my head back in ecstasy and nearly banged into the door. Maneuvering a decent fuck within the coffinlike constraints would not be easy. But, oh, was it ever worthwhile.

Slobber trickled from Donna's lips and glistened upon my balls. Her sweet poontang was still urine-damp to the touch; however, in this case, moistness was not to be taken as an invitation.

She popped her lips from my fuck stick and squealed, "No—please, don't. I'm still sore down there. If you want to come inside me, you're going to have to mount me the same way that terrorist did to you." I was uncomfortable about the psychological ramifications of in-flight sodomy, but I really wanted to bust that rump. Carefully, I lifted Donna and bent her over the tiny sink. Her titties felt warm and yielding to my twiddling fingers. Donna enjoyed the digital stimulation so much, she did me the favor of reaching back and tucking my wand between her cheeks.

My pulsating, purple head explored the crinkles of her tight, teenage sphincters before pushing deep inside. In order to keep from screaming, Donna removed my

hand from her mam and bit down on the fingers. Her bottom was hot and difficult to plunder, but I fought the stubborn butt muscles with every inch.

"Grrrahhh," Donna burst. The rhythm between her tush and my groin heated up into a dance of the dirtiest pleasures. I could only hold out for a few minutes before slathering Donna's bowels with sticky, salty fluid.

My teeth were tightly clenched as I whispered, "I'm coming hard." Donna spat out my hand and quickly shoved the spit-soaked fingers up her twat. She cried out in a mixture of pleasure and pain. The vaginal intrusion may not have been good for her recovery, but it made for one hell of a spurting climax. We helped each other clean up before returning to our seats.

I've never spoken of these incidents since my return. After all, according to the Guatemalan government—and, specifically, that scum-fuck Pedro Lamport—my pain is not real, because the incident never took place. What do I care? There's a Shannon Tweed movie on Showtime.

Caitlin Rich Filthy

"If I want to claim my share of Granddaddy's inheritance," sighs Caitlin, "I have to play by his rules. That means spending summers taking tennis lessons in Connecticut instead of cruising L.A. with my druggy friends. But I *will* have my fun." Caitlin smiles. "I can't resist wearing my little tennis skirt on the courts without any underwear. These crusty Yankees flip out when they see my long legs and impeccably groomed pussy." Caitlin squirms out of her top. "I could fuck my way into another small fortune this summer. But who cares? I'm just after kicks."

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in a **DRAMATICALLY LONGER, THICKER ERECTION**. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be too!

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time**. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the SENTRY **GIVES YOU COMPLETE ERECTION CONTROL!**

That's Why We Say...
THE SUPRA-12 SYSTEM IS AS EASY AS 1-2-3!

NO SYSTEM IS FASTER - OR MORE FOOLPROOF!

It's impossible to fail using the SUPRA-12 SYSTEM to increase your genital measurements. With the help of the SENTRY PROLONG RING and medical research has proven that *only* a prolong ring can maintain an erection, enlarging your penis and maintaining the new, thick and long dimensions becomes effortless!

ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!

According to U.S. News and World Report, Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring, is such an incredible value!

HUSTLER

INDEPENDENCE LAY

HUSTLER's July 1998 Anniversary Issue toasts 24 years of freedom from sexual oppression and erects a dynamite display of female force. A solo stunt pilot slams into ecstasy during her fledgling flight, losing control in her small, dark cockpit. A cream-skinned contortionist escapes from the circus. She covers her tracks by cramming her tantalizing toes into her succulent piehole. Stranded in a life raft, two nymphos float toward insanity, barely surviving exposure to the elements by slurping salty brine and raw clams. Raise your rifle, and pop a shot to salute America's Magazine and the gorgeous, young glories inside—buck-naked and badass.

PERVERSION IN PEEPLAND

Peepland, a hard-core sex dive in the black heart of New York City, is home to a perplexing paradox: Ethereal beauties of runway-model quality allow perverts to penetrate their perfect bodies at bargain-basement prices. What mysterious forces chain the jaw-dropping dream girls to the rotten Apple's raunchiest porn emporium? Ignoring the sound advice of leaving well-enough alone, HUSTLER reporter Selwyn Harris emancipates the truth from underground sex slaves doing time in Times Square.

TOP 'HOES TEST TOP TOYS

Tired of shoddy vibrators breaking at the point of climax, leaving you and your wife unfulfilled, dissatisfied and possibly injured? Skip the risk, and go directly to the sopping source. HUSTLER rewards loyal consumers by hiring XXX stunt cunts to test-drive HUSTLER Toy Company's new line of superior sex toys. Labia-licking lab rats spend hours working out their kinks, offering in-depth insight on eight pussy-pleasing products. Donning a raincoat, reporter Steve Slauson diligently documents every moan and groan in his gleet-soaked report, *Plastic Playtime: More Bang for Your Buck*.

PUDENDA PARADE

In July's *Sex Play*, "A Woman's Point of Flue," Editor Aaron Haberman surveys literate ladies who regularly read HUSTLER. *Bits & Pieces* reviews Slick Willy's Presidential performance in his adult-video premier; *Erotic Entertainment* produces a prized pass to the X-Rated Critics Organization, the only smut awards impervious to the influence of advertisers. Don't miss the chance to enter the HUSTLER sweepstakes. Be one of the lucky 10,000 winners sporting wads of cool HUSTLER gear and one-of-a-kind porn memorabilia. July HUSTLER throws a gash bash, and every reader receives a pink party favor.
